SUPPLEMENTARY INFORMATION:

Paperwork Reduction Act Statement

The information collection requirements contained in this notice have been approved by the Office of Management and Budget (OMB) for review under the Paperwork Reduction Act of 1980 (44 U.S.C. 3501-3520). The control number for information described in this document is 2506-0122.

I. Purpose and Substantive Description

Funding is being made available under this NOFA to assist HBCUs in forming partnerships with units of general local governments to conduct joint program efforts. These partners will undertake joint projects to establish multiple use community services facilities on HBCU campuses that will benefit low-income and subsidized housing residents, senior citizens, and the HBCUs.

A. Authority

This program is authorized under section 107(b)(3) of the Housing and Community Development Act of 1974 (the 1974 Act), which was added by section 105 of the HUD Reform Act of 1989. The program is governed by regulations contained in 24 CFR 570.201 through 207, 24 CFR 570.400, 570.404 and 24 CFR part 570, subparts A, C, J, K, and O.

B. Allocation Amounts and Form

The Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act 1995, (approved September 28, 1994, Pub. L. 103-327), (95 App. Act) appropriated \$44,000,000 for special purpose grants pursuant to

section 107 of the Housing and Community Development Act of 1974. This notice announces HUD's intention to award up to \$1.5 million from these FY 95 funds for partnership projects between units of local government and HBCUs. The maximum amount awarded to any applicant will be \$500,000. The awards will be made in the form of grants.

C. Eligibility

1. *Eligible Applicants.* Only HBCUs as determined by the Department of Education in 34 CFR 608.2 in accordance with that Department's responsibilities under Executive Order 12677, dated April 28, 1989, are eligible to submit applications.

2. *Eligible Activities.* Funds are being made available under this NOFA for HBCUs and units of general local government to undertake jointly-funded projects to establish multiple use community services facilities. Examples of such facilities include Counseling and Skills Development Centers, Cultural Art Centers, and Elderly Housing Centers to provide activities such as: Adult basic education classes; GED preparation and testing; job and career counseling and assessment; job readiness and placement assistance; cultural and recreational activities that include dancing lessons, art classes and other support activities for youth, senior citizens and other low and moderate income residents; day care services; and social and medical services.

Activities under this NOFA must not be inconsistent with the locality's community development plan or program, or its HUD-approved consolidated plan in accordance with 24 CFR Part 91. For the purposes of this program, the term "locality" includes any city, local government, county, town, township, parish, village, or other unit of general local government of a State within which an HBCU is located. An HBCU located in a metropolitan statistical area (MSA), as established by the Office of Management and Budget, may consider its locality to be one or more of these entities within the entire MSA. The nature of the locality for each HBCU may, therefore, differ depending on its location.

Those applicants planning to use funds for the provision of public services are bound by the statutory requirement that not more than 15% of the total grant amount be used for public service activities.

3. *Environmental Review.* If the applicant proposes activities involving rehabilitation of structures or construction of buildings, an environmental review is required and

the proposed project must pass an environmental review in accordance with 24 CFR part 50. If the requirements of part 50 are not met, HUD reserves the right to terminate all or portions of the award. The grantee is not authorized to proceed with any activity requiring such approval until written approval is received from the HUD environmental office in your area certifying that the project has been approved.

In accordance with the Coastal Barrier Resources Act (16 U.S.C. 3601), HUD will not approve applications for any activities that would be located or carried out in the Coastal Barrier Resources System.

D. Selection Criteria/Ranking Factors

An applicant must demonstrate that it meets the objectives of this HBCU program by scoring at least 12 of the possible 20 points on ranking factor 1 (addressing the objectives) in order to qualify for funding. Applicants must also receive a minimum score of 70 out of the total of 105 points to be considered eligible for funding. Activities which are not eligible for funding under this program (see 24 CFR 570.207) will not be funded. If more than 50 percent of the amount requested in the application is for ineligible activities, the application will not be funded.

Applications for funding under this Notice will be evaluated competitively, and awarded points based on the factors identified below. The Department will rank the applications in descending order according to score. Applications meeting the minimum threshold requirements will be funded in rank order, until all available funds have been obligated, or until there are no acceptable applications.

Negotiations. After all applications have been rated and ranked and a determination of successful applicants has been made, HUD requires that all successful applicants participate in negotiations to determine the specific terms of the Statement of Work and grant budget. In cases where HUD cannot successfully conclude negotiations, awards will not be made. In such instances, HUD may elect to offer an award (in an amount not to exceed the amount of remaining funds available for the competition) to the next highest ranking applicant and proceed with negotiations as described above.

Match. The Department will accept only those applications which demonstrate that the HBCU and unit of government have both agreed to contribute matching funds to undertake a joint project on the HBCU campus.

Each HBCU applying under this competition must include a letter from the Chief Executive Officer of the participating unit of government certifying that it has formed a partnership with the HBCU to undertake a jointly funded CDBG project using both the HBCU funds of this award and local funds to conduct projects on HBCU campuses. The letter from the unit of local government must certify that they are contributing local funds. Matching funds may be in the form of local Community Development Block Grant Funds.

Rating Factors. The factors set forth below will be used by the Department to evaluate applications. Each application must contain sufficient information to be reviewed for its merits. The score of each factor will be based on the qualitative and quantitative aspects demonstrated for each factor in an application. The factors, and the maximum number of points for each factor (out of a total of 105 points, which includes up to 5 bonus points), are as follows:

1. *Addressing the Objectives.* (maximum points: 20)

The extent to which the applicant addresses the objectives of this program is examined by this factor. Applicants must address objective i.A., below, by demonstrating how the proposed joint activities between them and the unit of government will expand the role of the HBCU in meeting local community economic development and/or housing needs while furthering HUD's priorities identified in objective i.B., below.

i. The objectives of this program are:

A. To help HBCUs in undertaking joint activities between them and the unit of local government to establish multiple use community services facilities on HBCU campuses that will benefit low-income and subsidized housing residents, senior citizens, and the HBCU, consistent with the purposes of title I of the Housing and Community Development Act of 1974; and

B. To help HBCUs through joint projects with units of government address the needs of their localities in supporting the following HUD values:

* A Commitment to Community;

* A Commitment to Support

Families;

* A Commitment to Economic Lift;

* A Commitment to Reciprocity and to Balancing Individual Rights and Responsibilities.

* A Commitment to Reducing the Separations by Race and Income in American Life.

ii. In rating this factor, the Department will consider:

A. The extent to which the applicant demonstrates that the proposed joint activities to be carried out in the multiple use community services facilities to be established on HBCU campuses with units of government will expand its role and effectiveness in addressing community development needs in its locality(ies), in accordance with objective i.A., above;

B. The extent to which the applicant demonstrates that the proposed joint activities will further one or more of the (5) HUD values specified in objective i.B., above;

C. The extent to which the applicant demonstrates that it will provide to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

2. *Substantial Impact in Achieving Objectives.* (maximum points: 25)

The extent to which the applicant demonstrates that the proposed jointly-funded activities to be carried out in the multiple use community facilities would have a substantial impact in achieving the overall objectives of this NOFA. In rating this factor the Department will consider:

a. The extent to which the applicant demonstrates how the proposed joint activities to be carried out will address needs that were identified as high priorities in each locality's HUD-approved Consolidated Plan in accordance with 24 CFR part 91.

b. The extent to which the applicant demonstrates how the proposed joint activities to be carried out in the multiple use community facilities will impact the low income and elderly residents of the community which the HBCU serves; the applicant should cite specific impacts anticipated.

3. *Special Needs of Applicant or Locality.* (maximum points: 10)

This factor examines the extent to which the applicant demonstrates that the jointly funded activities, to be carried out in the multiple use community services facilities being proposed by the HBCU and the unit of local government, address special needs of the applicant or the locality. In rating this factor, HUD will consider the degree to which the applicant identifies specific groups or neighborhoods to be served, and how the facilities will meet the identified needs of those groups or neighborhoods. More points will be given to applications which target assistance to public housing residents and the elderly.

4. *Technical and Financial Feasibility and Match.* (maximum points: 25)

This factor examines the extent to which the applicant demonstrates the technical and financial feasibility of achieving the objectives, the local support by the unit of government for the activities proposed to be carried out in the locality, and the required matching funds proposed to be provided from sources other than the applicant. In rating this factor, the Department will consider:

a. The extent to which the applicant demonstrates the technical feasibility of achieving the objectives within the program period proposed;

b. The extent to which the applicant demonstrates the financial feasibility of, and local support by the participating unit of government for, the activities to be carried out in the locality, as evidenced by the commitment, from sources other than the applicant, of matching funds, staffing, services, or other in-kind resources.

5. *Capacity.* (maximum points: 20)

This factor examines the extent to which the applicant demonstrates the capacity to carry out satisfactorily the proposed activities in a timely fashion, including consideration of satisfactory performance in carrying out any previous HUD-assisted projects or activities. In rating this factor, the Department will consider:

i. The extent to which the applicant's proposed management plan:

A. Clearly delineates staff responsibilities of the HBCU and local government partners and accountability for all work required;

B. Presents a Statement of Work with a clear and feasible schedule for conducting all project tasks; and

C. Presents a reasonable and adequate budget as reflected in the budget-by-task and supporting justification for the budget. The budget should identify matching dollars and/or in-kind service contributions that have been equated to dollars. The budget should break these out to indicate match versus HUD funds.

ii. The extent to which the applicant demonstrates the recent and relevant work experience of the staff proposed to undertake the activities described in the Statement of Work.

iii. The extent to which the applicant can demonstrate that its past and current projects funded by HUD and/or other Federal or private sector sources are or have been completed on schedule and have met or are meeting goals established for addressing local needs.

iv. The extent to which the applicant demonstrates the proposed program manager's capacity, background and

experience to carry out the proposed activities in a satisfactory and timely fashion, as evidenced by recent work experience in managing projects of the same or similar size, dollar amount, and types of activities as those proposed in the application.

Bonus Points. Applicants that undertake joint construction projects on HBCU campuses with units of local governments in a Federally-designated Empowerment Zone, Urban Supplemental Empowerment Zone, Enterprise Community, or Urban Enhanced Enterprise Community will receive a maximum of 5 bonus points. To receive these bonus points applicants must submit with the application package a certification from the authorized representative of the local government that the HBCU is located within the zone.

II. Application Submission Requirements

Complete application submission requirements are contained in the FY 1995 Historically Black Colleges and Universities Program application package. The application package will request information in sufficient detail for HUD to determine whether the proposed activities are feasible and meet all the requirements of applicable statutes and regulations.

III. Corrections to Deficient Applications

Immediately after the deadline for submission of applications, applications will be screened to determine whether all required items were submitted. If the applicant fails to submit certain technical items, or the application contains a technical mistake, such as an incorrect signatory, the Department shall notify the applicant in writing that the applicant has 14 calendar days from the date of the written notification to submit the missing item, or correct the technical mistake. If the applicant does not submit the missing item within the required time period, the application will be ineligible for further processing.

The 14-day cure period pertains only to non-substantive technical deficiencies or errors. Technical deficiencies relate to items that:

1. Are not necessary for HUD review under selection criteria/ranking factors; and
2. Would not improve the substantive quality of the proposal.

IV. Other Matters

(a) *Environmental Impact.* A Finding of No Significant Impact with respect to the environment has been made in accordance with the Department's

regulations at 24 CFR Part 50 which implement Section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332). The Finding of No Significant Impact is available for public inspection between 7:30 a.m. and 5:30 p.m. weekdays at the Office of the Rules Docket Clerk, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, S.W., Washington, DC 20410.

(b) *Federalism, Executive Order 12612.* The General Counsel, as the Designated Official under section 6(a) of Executive Order 12612, Federalism, has determined that the policies and procedures contained in this NOFA will not have substantial direct effect on States or their political subdivisions, or on the distribution of power and responsibilities among the various levels of government. Specifically, the NOFA solicits HBCU applicants to expand their role in addressing community development needs in their localities and does not impinge upon the relationships between the Federal government, and State and local governments.

(c) *Family, Executive Order 12606.* The General Counsel, as the Designated Official under Executive Order 12606, The Family, has determined that this document does not have potential for significant impact on family formation, maintenance, and general well-being. The notice only solicits HBCUs to apply for funding to address community development needs in their locality. Any impact on the family will be indirect and beneficial in that better planning of community development needs should result.

(d) *Prohibition Against Lobbying Activities.* The use of funds awarded under this NOFA is subject to the disclosure requirements and prohibitions of section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990 (31 U.S.C. 1352) (The "Byrd Amendment") and the implementing regulations at 24 CFR part 87. These authorities prohibit recipients of federal contracts, grants, or loans from using appropriated funds for lobbying the Executive or Legislative branches of the federal government in connection with a specific contract, grant, or loan. The prohibition also covers the awarding of contracts, grants, cooperative agreements, or loans unless the recipient has made an acceptable certification regarding lobbying. Under 24 CFR part 87, applicants, recipients, and subrecipients of assistance exceeding \$100,000 must certify that no federal funds have been or will be spent

on lobbying activities in connection with the assistance.

(e) Section 102 HUD Reform Act; Documentation and Public Access Requirements. HUD will ensure that documentation and other information regarding each application submitted pursuant to this NOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a five-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15. In addition, HUD will include the recipients of assistance pursuant to this NOFA in its Federal Register notice of all recipients of HUD assistance awarded on a competitive basis. (See 24 CFR 12.14(a) and 12.16(b), and the notice published in the Federal Register on January 16, 1992 (57 FR 1942), for further information on these requirements.)

(f) Section 103 HUD Reform Act. HUD's regulation implementing section 103 of the Department of Housing and Urban Development Reform Act of 1989 was published May 13, 1991 (56 FR 22088) and became effective on June 12, 1991. That regulation, codified as 24 CFR Part 4, applies to the funding competition announced today. The requirements of the rule continue to

apply until the announcement of the selection of successful applicants.

HUD employees involved in the review of applications and in the making of funding decisions are limited by Part 4 from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions, or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition should confine their inquiries to the subject areas permitted under 24 CFR Part 4.

Applicants who have questions should contact the HUD Office of Ethics (202) 708-3815. (This is not a toll-free number.) The Office of Ethics can provide information of a general nature to HUD employees, as well. However, a HUD employee who has specific program questions, such as whether particular subject matter can be discussed with persons outside the Department, should contact his or her Field Office Counsel, or Headquarters counsel for the program to which the question pertains.

(g) Section 112 HUD Reform Act. Section 13 of the Department of Housing and Urban Development Act (42 U.S.C. 3537b) contains two provisions dealing with efforts to influence HUD's decisions with respect to financial assistance. The first imposes disclosure requirements on those who are typically involved in these efforts—those who pay others to influence the award of assistance or the taking of a

management action by the Department and those who are paid to provide the influence. The second restricts the payment of fees to those who are paid to influence the award of HUD assistance, if the fees are tied to the number of housing units received or are based on the amount of assistance received, or if they are contingent upon the receipt of assistance.

Section 13 was implemented by final rule published in the Federal Register on May 17, 1991 (56 FR 22912). The final rule was codified as 24 CFR part 86. If readers are involved in any efforts to influence the Department in these ways, they are urged to read part 86, particularly the examples contained in Appendix A of the regulation.

Any questions about the rule should be directed to the Office of Ethics, room 2158, Department of Housing and Urban Development, 451 Seventh Street, S.W., Washington, D.C. 20410-3000. Telephone: (202) 708-3815; TDD: (202) 708-1112. (These are not toll-free numbers.) Forms necessary for compliance with the rule may be obtained from the local HUD office.

Authority: Title I, Housing and Community Development Act of 1974 (42 U.S.C. 5301-5320); sec. 7(d), Department of Housing and Urban Development Act (42 U.S.C. 3535(d); 24 CFR 570.404.

Dated: September 21, 1995.
