SUPPLEMENTARY INFORMATION:

Title: Reporting Requirements Under EPA's WasteWiSe Program (OMB Control No. 2050-0139; EPA ICR No. 1698). This is a request for extension of a currently approved information collection.

Abstract: EPA's voluntary WasteWiSe program encourages businesses and other organizations to reduce waste.

WasteWiSe members are composed of Partners, which commit to engage in waste reduction activities of their own choice, and Endorsers, which promote WasteWiSe and waste reduction to their members. Endorsers, which are trade associations and other membership-

based associations, submit only one form, the Endorser Registration Form, which identifies the organization and principal contact, and activities which the organization commits to conduct. Partners fill out three forms as follows:

The Partner Registration Form provides EPA with general company information and identifies the facilities committed to the WasteWiSe program: it is signed by a senior official who has authority to commit the company to the program. Each partner develops its own waste reduction goals and completes and submits an annual Goals Identification Form to EPA; partners also report annually on the progress made toward achieving those goals in the Annual Reporting Form.

The information collected will be used by EPA to develop and provide targeted technical information to assist organizations' voluntary waste reduction programs, identify and promote successful waste reduction strategies, and gauge the program's progress.

An Agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB Control numbers for EPA's regulations are listed in 40 CFR Part 9. The Federal Register Notice with a 60-day comment period soliciting comments on this collection of information was published on July 31, 1995 (60 FR 38997).

Burden statement: The respondent burden for this collection is estimated to average 24 hours per response for the Endorser Registration Form; 10 hours per response for the Partner Registration Form; 40 hours per response for the first year's Goals Identification Form; 20 hours per response for each subsequent year's Goals Identification Form; and 55.5 hours per response for the Annual Reporting Form; for an estimated one-time respondent burden of 24 hours for Endorsers and an annual respondent burden of 105.5 hours in the first year and 75.5 hours each subsequent year for Partners. These estimates include the time needed to review instructions, develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to respond to a collection of information; search existing data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected entities: Businesses and non-governmental organizations that voluntarily join the WasteWiSe program.

Estimated number of respondents: 515 in year 1 (115 new members); 615 in year 2; and 715 in year 3.

Estimated Total Annual Burden on Respondents: 41,110 hours in Year 1; 48,660 in Year 2; and 56,210 in Year 3.

Frequency of Collection: One-time and annual.

Send comments regarding the burden estimate, or any other aspect of the information collection, including suggestions for reducing the burden, to the following addresses. Please refer to EPA ICR No. 1698 and OMB Control No. 2050-0139 in any correspondence.
