

Act) being provided either directly or indirectly by foreign governments on articles of cheese subject to an in-quota rate of duty. The appendix to this notice lists the country, the subsidy program or programs, and the gross and net amounts of each subsidy for which information is currently available.

The Department will incorporate additional programs which are found to

constitute subsidies, and additional information on the subsidy programs listed, as the information is developed.

The Department encourages any person having information on foreign government subsidy programs which benefit articles of cheese subject to an in-quota rate of duty to submit such information in writing to the Assistant Secretary for Import Administration,

U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

This determination and notice are in accordance with section 702(a) of the Act.

Dated: September 22, 1995.
Susan G. Esserman,
Assistant Secretary for Import Administration.

Determination Not to Revoke Countervailing Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of determination Not to Revoke Countervailing Duty Order.

SUMMARY: The Department of Commerce (the Department) is notifying the public of its determination not to revoke the countervailing duty order listed below.

EFFECTIVE DATE: September 29, 1995.

FOR FURTHER INFORMATION CONTACT: Brian Albright or Maria MacKay, Office of Countervailing Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202)482-2786.

SUPPLEMENTARY INFORMATION:

Background

On June 29, 1995, the Department published in the Federal Register (60

FR 33792) its intent to revoke the countervailing duty order listed below. Under 19 CFR 355.25(d)(4)(iii), the Secretary of Commerce will conclude that an order is no longer of interest to interested parties and will revoke the order if no domestic interested party (as defined in sections 355.2 (i)(3), (i)(4), (i)(5), and (i)(6) of the regulations) objects to revocation and no interested party requests an administrative review by the last day of the 5th anniversary month.

Within the specified time frame, we received either an objection from a domestic interested party to our intent to revoke, or a request for review, for this countervailing duty order. Therefore, because the requirements of 19 CFR 355.25(d)(4)(iii) have not been met, we will not revoke the order. This determination is in accordance with 19 CFR 355.25(d)(4).

Determination to Revoke Countervailing Duty Order; Wire Rod from Zimbabwe

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of determination to revoke countervailing duty order

SUMMARY: The Department of Commerce (the Department) is revoking the countervailing duty order on wire rod from Zimbabwe because it is no longer of interest to interested parties.

EFFECTIVE DATE: September 29, 1995.

FOR FURTHER INFORMATION CONTACT: Brian Albright or Cameron Cardozo, Office of Countervailing Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and

Constitution Avenue NW., Washington, DC 20230; telephone: (202)482-2786.

SUPPLEMENTARY INFORMATION:

Background

On August 1, 1995, the Department published in the Federal Register (60 FR 39151) its intent to revoke the countervailing duty order on wire rod from Zimbabwe (51 FR 29292; August 15, 1986). Additionally, as required by 19 CFR 355.25(d)(4)(ii)(1994), the Department served, by certified mail, written notice of its intent to revoke this countervailing duty order on each party listed on its most current service list.

Prior to publication of the Department's notice of intent to revoke the order, this countervailing duty order was determined to be subject to section 753 of the Tariff Act of 1930 (as amended by the Uruguay Round Agreements Act of 1994)(the Act). Countervailing Duty Order; Opportunity to Request a Section 753 Injury Investigation, 60 FR 27,963 (May 26, 1995). In conjunction with that determination, domestic interested parties were notified of their right to request an injury investigation under section 753(a) of the Act from the U.S. International Trade Commission (the Commission). Those parties were further informed that, in accordance with sections 753(b)(3) and (4) of the Act, the order would be revoked effective March 3, 1995 unless a request for an injury investigation was submitted to the Commission within six months of the date on which Zimbabwe became a signatory to the World Trade Organization (March 3, 1995), and the Commission rendered an affirmative injury determination pursuant to section 753(a)(1) of the Act.

On September 18, 1995, the Commission notified the Department that it did not receive a timely request under section 753(a) and, therefore, a negative injury determination had been made with respect to this order pursuant to section 753(b)(4) of the Act. However, since the revocation is effective January 1, 1995 under 19 CFR 355.25(d)(4)(iii), no further action is required by the Department under section 753 of the Act.

Scope of the Order

Imports covered by this order are shipments from Zimbabwe of carbon steel wire rod including coiled, semi-finished, hot-rolled carbon steel product of approximately round solid cross-section, not under 0.20 inch in diameter, nor over 0.74 inch in diameter, tempered or not tempered, treated or not treated, not manufactured

or partly manufactured, and valued over or under four cents per pound. Such merchandise is currently classified under item numbers 7213.20.00, 7213.31.30, 7213.41.30, 7213.41.60, 7213.49.00, and 7123.50.00 of the Harmonized Tariff Schedule (HTS). The HTS item numbers are provided for convenience and Customs purposes. The written description remains dispositive.

Determination to Revoke

The Department may revoke a countervailing duty order if it concludes that the order is no longer of interest to interested parties. We conclude that there is no interest in a countervailing duty order when no interested party (as defined in sections 355.2 (i)(3), (i)(4), (i)(5), and (i)(6) of the Department's regulations) has requested an administrative review for at least five consecutive review periods and when no domestic interested party objects to the revocation (19 CFR 355.25(d)(4)(iii)).

We received no requests for administrative review for the previous five consecutive review periods and no objections to our notice of intent to revoke the countervailing duty order. Therefore, we have concluded that the countervailing duty order covering wire rod from Zimbabwe is no longer of interest to interested parties, and we are revoking this countervailing duty order in accordance with 19 CFR 355.25(d)(4)(iii).

Further, as required by 19 CFR 355.25(d)(5), the Department is terminating the suspension of liquidation on the subject merchandise as of the effective date of this notice, and will instruct the Customs Service to liquidate, without regard to countervailing duties, all unliquidated entries of this merchandise exported from Zimbabwe on or after January 1, 1995.

Because of our determination to revoke this order in accordance with 19 CFR 355.25(d)(4)(iii), it is unnecessary to revoke the order pursuant to section 753(b)(3)(B) of the Act.

Dated September 21, 1995.

Joseph A. Spetrini,

Deputy Assistant Secretary for Compliance.

Applications for Duty-Free Entry of Scientific Instruments

Pursuant to Section 6(c) of the Educational, Scientific and Cultural Materials Importation Act of 1966 (Pub. L. 89-651; 80 Stat. 897; 15 CFR part 301), we invite comments on the

question of whether instruments of equivalent scientific value, for the purposes for which the instruments shown below are intended to be used, are being manufactured in the United States.

Comments must comply with 15 CFR 301.5(a)(3) and (4) of the regulations and be filed within 20 days with the Statutory Import Programs Staff, U.S. Department of Commerce, Washington, D.C. 20230. Applications may be examined between 8:30 A.M. and 5:00 P.M. in Room 4211, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C.

Docket Number: 95-078. Applicant: University of California, Davis, Exercise Science Department, 264 Hickey Gym, Davis, CA 95616. *Instrument:* Nitrogen Analyzer, Model N2-TEST.

Manufacturer: Erich Jaeger, Germany.

Intended Use: The instrument will be used to measure nitrogen concentration in rebreathed air containing 100% oxygen in order to determine residual lung volume to provide a more accurate assessment of the percentage of body fat in humans by subtracting from weight loss in underwater weighing.

Application Accepted by Commissioner of Customs: August 29, 1995.

Docket Number: 95-081. Applicant:

University of Rhode Island, Graduate School of Oceanography, South Ferry Road, Narragansett, RI 02882-1997.

Instrument: ICP Mass Spectrometer, Model Element. *Manufacturer:* Finnigan MAT, Germany.

Intended Use: The instrument will be used for studies of oceanographic, geological and atmospheric samples that will be analyzed for a wide range of elemental and isotopic abundances. In addition, the instrument will be used in a graduate level course in Marine Isotope Geochemistry to expose students to the fundamentals of isotopic tracers used in chemical oceanography.

Application Accepted by Commissioner of Customs: August 30, 1995.

Docket Number: 95-082. Applicant:

University of Maryland at College Park, Institute for Plasma Research, 1202K Energy Research Facility, College Park, MD 20742.

Instrument: Pulsed Surface Plasma Source and Power Supply.

Manufacturer: Budker Institute of Nuclear Physics, CIS. *Intended Use:* The instrument will be used to produce very high quality ion beams required to advance the present state-of-the art of ion project lithography. *Application Accepted by Commissioner of Customs:* August 30, 1995.

Docket Number: 95-083. Applicant:

Continuous Electron Beam Accelerator Facility, 12000 Jefferson Avenue, Newport News, VA 23606. *Instrument:*
