BILLING CODE 4710-06-M

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

25 CFR Part 164

RIN 1076-AC77

Sale of Lumber and Other Forest Products Produced by Indian Enterprises From the Forests on Indian Reservations

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Final rule.

SUMMARY: The Bureau of Indian Affairs (BIA) is deleting regulations which govern the terms and conditions under which forest products produced by Indian tribal forest enterprises from the forests of Indian Reservations may be sold. The BIA is deleting these regulations because the "General Forest Regulations," prescribe similar terms and conditions for such sales of Indian forest products in the section, "Indian Tribal Forest Enterprise Operations." Therefore, this deletion is necessary to eliminate redundancy and potential confusion in forestry program regulations.

EFFECTIVE DATE: November 2, 1995.

FOR FURTHER INFORMATION CONTACT: Mr. Jim Stires, Billings Area Office, Bureau

of Indian Affairs, Branch of Forestry at (406) 657-6358.

SUPPLEMENTARY INFORMATION: This action, deleting 25 CFR part 164, results from the BIA's need to eliminate the redundancy and potential confusion arising from having two regulations governing the same operations. The BIA recognizes that provisions in § 163.13 of the revision of 25 CFR part 163, "General Forest Regulations," are adequate to govern the sale of Indian forest products and, as a result, that 25 CFR part 164 is no longer needed.

No comments were received during the 60 day comment period following the publication of the proposed rule in the Federal Register.

The Department of the Interior has determined that this rule is not a significant regulation action under Executive Order 12866, and therefore will not be reviewed by the Office of Management and Budget. This rule will not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) because the sale of lumber and forest products produced by Indian enterprises will be conducted as in the past.

The Department of the Interior has determined that this final rule does not constitute a major Federal action significantly affecting the quality of the human environment and that no detailed statement is required pursuant to the National Environmental Policy Act of 1969.

The Department has certified to the Office of Management and Budget that these regulations meet the applicable standards provided in Sections 2(a) and 2(b)(2) of Executive Order 12778.

In accordance with Executive Order 12630, the Department has determined that this rule does not have significant takings implications.

The Department has determined that this rule does not have significant federalism effects.

The deletion of 25 CFR part 164, "Sale of Lumber and Other Forest Products Produced by Indian Enterprises from Forests on Indian Reservations," will not create information collection or record keeping requirements which require approval by the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

The primary author of this document is Mr. Jim Stires, Forester, in the Billings Area Office, BIA, Branch of Forestry, Billings, Montana.

List of Subjects in 25 CFR Part 164

For the reasons set forth in the preamble, and under the authority of Public Law 97-257, Title I, Section 100 (September 30, 1982, Stat. 839), Part 164 of Chapter I, of Title 25 of the Code of Federal Regulations is removed.

Dated: July 17, 1995.

Ada E. Deer,

Assistant Secretary—Indian Affairs.

RIN 1076-AC75

Sale of Forest Products, Red Lake Indian Reservation, Minnesota

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Final rule.

SUMMARY: The Bureau of Indian Affairs (BIA) is deleting regulations which govern the terms and conditions under which forest products produced by the Red Lake Indian Mills may be sold. The BIA is deleting these regulations because the Red Lake Indian Mills no longer exists and the revision of 25 CFR Part 163, "General Forest Regulations," prescribes the terms and conditions for the sale of forest products produced by other Indian forest product enterprises on the Red Lake Indian Reservation. Therefore, this deletion is necessary to eliminate redundancy and potential confusion in forestry program regulations.

EFFECTIVE DATE: November 2, 1995.

FOR FURTHER INFORMATION CONTACT: Mr. Jim Stires, Billings Area Office, Bureau of Indian Affairs, Branch of Forestry, telephone (406) 657-6358.

SUPPLEMENTARY INFORMATION: This action, deleting 25 CFR part 165, results from the BIA's need to eliminate the redundancy and potential confusion arising from having an unnecessary regulation for a business entity that no longer exists. In addition, the BIA recognizes that provisions in § 163.13 of the revision of 25 CFR part 163, "General Forest Regulations," are adequate to govern the sale of Indian forest products by Indian forest enterprises on the Red Lake Indian Reservation and, as a result, that 25 CFR part 165 is no longer needed.
