

discussed above, the Commission believes that the Exchange's proposed rebalancing requirements are adequate to ensure that any overweight components are brought back into line with the other components in the Index. As a result, the Commission believes that accelerating approval of Amendment Nos. 1, 3, and 4 will allow the Exchange to begin listing options on the Index (including Index LEAPS) without further delay in order to provide an additional exchange-traded hedging vehicle for investors with risk exposure to securities in the various technology industries.

Based on the above, the Commission believes that the proposal is consistent with Section 6(b)(5) of the Act and that good cause exists to approve Amendment Nos. 1, 3, and 4 to the Amex's proposal on an accelerated basis.

Interested persons are invited to submit written data, views and arguments concerning Amendment Nos. 1, 3, and 4 to the proposed rule change. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. Copies of such filing will also be available for inspection and copying at the principal office of the Amex. All submissions should refer to File No. SR-Amex-95-26 and should be submitted by October 24, 1995.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁴⁶ that the proposed rule change (SR-Amex-95-26), as amended, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁴⁷

Margaret H. McFarland,

Deputy Secretary.
