

MW. The facility consists of a combustion turbine generator, a heat recovery boiler, and an extraction/condensing steam turbine generator. Thermal energy recovered from the facility will be used in the manufacturing of polyvinyl chloride and acrylic latex. The instant application for recertification was submitted to report a change of thermal host and operational changes at the facility. The entire facility's output will be dispatched by Atlantic City Electric Company (Atlantic City). Atlantic City will provide the host's power needs through Pedricktown's interconnection facilities.

Comment date: Thirty days after the date of publication of this notice in the **Federal Register**, in accordance with Standard Paragraph E at the end of this notice.

Standard Paragraph

E. Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). [Docket No. CP95-786-000]

ANR Pipeline Co.; Notice of Application

October 3, 1995.

Take notice that on September 28, 1995, ANR Pipeline Company (ANR), 500 Renaissance Center, Detroit, Michigan 48243, filed in Docket No. CP95-786-000 an abbreviated application pursuant to Section 7(b) of the Natural Gas Act, as amended, and Sections 157.7 and 157.18 of the Federal Energy Regulatory Commission's (Commission) regulations thereunder, for permission and approval to abandon a transportation service used to implement storage service for United Cities Gas Company (United Cities), all as more fully set forth in the application which is on file with the Commission and open to public inspection.

ANR states that it was authorized to transport a total annual storage volume of 25,000 Mcf of natural gas for United Cities under Rate Schedule X-99. ANR further states that under Rate Schedule X-99, ANR received and delivered natural gas for United Cities to and from storage with ANR Storage Company (Storage Company) for the account of United Cities during the summer

injection period and the winter withdrawal period at the following points: Defiance County, Ohio, Wastenaw County, Michigan, Mescosta County, Michigan, and Crawford County, Michigan. ANR indicates that Rate Schedule X-99 provided for an initial term of fifteen years, commencing April 1, 1980, and thereafter year to year until terminated by either party with at least twelve months written notice. It is further indicated that by a letter dated June 15, 1995, United Cities requested abandonment of Rate Schedule X-99 effective October 31, 1995. ANR avers that by mutual agreement United Cities and ANR agreed to replace Rate Schedule X-99 with a firm transportation agreement, effective November 1, 1995, under Rate Schedule FTS-1 of ANR's FERC Gas Tariff.

Any person desiring to be heard or to make any protest with reference to said application should on or before October 24, 1995, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a petition to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to the proceeding or to participate as a party in any hearing therein must file a petition to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission on this application if no petition to intervene is filed within the time required herein, and if the Commission on its own review of the matter finds that the abandonment is required by the public convenience and necessity. If a petition for leave to intervene is timely filed, or if the Commission on its motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be
