RIN 2115-AE96

Recreational Inflatable Personal Flotation Device Standards

AGENCY: Coast Guard, DOT.

ACTION: Interim rule with request for comments; extension of comment period.

SUMMARY: On June 23, 1995, the Coast Guard published a interim rule (60 FR 32836) establishing regulations for approval of inflatable personal flotation devices (PFDs) for recreational boaters. Because the Coast Guard wishes to consult with the National Boating Safety Advisory Council (NBSAC) on the response to comments at its upcoming meeting on October 30-31, 1995, the comment period is being extended for 14 additional days.

DATES: Comments must be received on or before November 6, 1995.

ADDRESSES: Comments may be mailed to the Executive Secretary, Marine Safety

Council (G-LRA/3406) (CGD 94-110), U.S. Coast Guard Headquarters, 2100 Second Street SW., Washington, DC 20593-0001, or may be delivered to room 3406 at the same address between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays. The telephone number is (202) 267-1477.

The Executive Secretary maintains the public docket for this rulemaking. Comments will become part of this docket and will be available for inspection or copying at room 3406, U.S. Coast Guard Headquarters, between 8 a.m. and 3 p.m., Monday through Friday, except Federal holidays.

Comments on collection-of-information requirements must be mailed also to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street, NW., Washington, DC 20503, Attn: Desk Officer, U.S. Coast Guard.

FOR FURTHER INFORMATION CONTACT:

Mr. Samuel E. Wehr, U.S. Coast Guard, Lifesaving and Fire Safety Standards Branch (G-MMS-4), telephone (202) 267-1444, facsimile (202) 267-1069, or electronic mail "mvi-3/G-M18@cgsmtp.uscg.mil". A copy of the interim rule may be obtained by calling the Coast Guard's toll-free Customer InfoLine, 1-800-368-5647. In Washington, DC, call 267-0780.

SUPPLEMENTARY INFORMATION: On June 23, 1995, the Coast Guard published an interim rule, CGD 94-110, "Recreational Inflatable Personal Flotation Device Standards" (60 FR 32836). The interim rule invited and encouraged interested persons to participate in the rulemaking by submitting written comments, including views, data or arguments by October 23, 1995. Several comments expressed concern about the "Life-Saving Index" (LSI) provisions of the rule. To address questions about the LSI, the Coast Guard held a public meeting on August 28, 1995, announced in the **Federal Register** on August 2, 1995, (60 FR 39268). Additionally, some comments have requested changes to the rule which the Coast Guard would like to discuss with its recreational boating advisory committee, NBSAC, at its upcoming meeting on October 30-31, 1995, announced elsewhere in today's **Federal Register**. Because of this planned consultation, the Coast Guard is extending the comment period for 14 additional days.

Persons submitting comments should include their names and addresses, identify this rulemaking (CGD 94-110) and the specific section of the interim rule to which each comment applies, and give the reason for each comment. Please submit two copies of all

comments and attachments in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. Persons wanting acknowledgment of receipt of comments should enclose stamped, self-addressed postcards or envelopes. The Coast Guard will consider all comments received during the comment period. It may change this proposal in view of the comments.

Dated: October 2, 1995.

J.C. Card,

Rear Admiral, U.S. Coast Guard Chief, Office of Marine Safety, Security and Environmental Protection.
