Applicant therefore relied on the exemption provided by rule 17a-8 under the Act to effect the transaction.<sup>1</sup> In accordance with the rule, the board of directors of applicant and of MuniAssets (including a majority of the directors who are not interested persons of applicant or MuniAssets) determined that participation in the Reorganization would be in the best interests of applicant and of MuniAssets, and the interests of existing stockholders of applicant and of MuniAssets would not be diluted as a result of their effecting the Reorganization.

4. On September 1, 1994 and November 18, 1994, preliminary copies of proxy materials were filed with the SEC. On February 7, 1995, definitive proxy materials were filed with the SEC and were distributed to shareholders on February 8, 1995. At a meeting held on April 7, 1995, applicant's shareholders approved the Reorganization.

5. At Valuation Time, applicant had 5,752,965 shares of common stock outstanding with an aggregate and per share net asset value of \$75,866,609.45 and \$13.19, respectively. On the Reorganization Date, applicant transferred all of its securities and cash to MuniAssets in exchange for 5,637,560 shares of common stock of MuniAssets.

6. Each of applicant's shareholders received, in exchange for his or her shares in applicant, shares of the corresponding series of MuniAssets having a net asset value equal to the aggregate net asset value of his or her shares in applicant as of the Valuation Time.

7. Total expenses of the reorganization were \$200,000. Such expenses were for postage, legal, accounting, and printing fees. All expenses will be borne by MuniAssets.

8. As of the date of the application, applicant had no shareholders, assets, or liabilities. Applicant is not a party to any litigation or administrative proceeding. Applicant is neither engaged in nor proposes to engage in any business activities other than those necessary for the winding-up of its affairs.

9. Applicant will terminate its existence as a Maryland corporation.

## Pilot Export Working Capital Program

**AGENCY:** Small Business Administration.

**ACTION:** Notice of Continuation of Pilot.

**SUMMARY:** On September 21, 1994, the Small Business Administration (SBA) published a notice in the **Federal Register** (59 FR 48460) to advise the public of a pilot for its Export Working Capital Program (EWCP). The pilot is scheduled to end on September 30, 1995, but SBA is continuing the pilot until April 1, 1996. This notice is issued pursuant to § 120.1-2 of SBA's regulations (13 CFR 120.1-2).

**EFFECTIVE DATE:** October 1, 1995.

#### FOR FURTHER INFORMATION CONTACT:

Jean Z. Smith, Export Development Specialist, Office of International Trade, 202/205-7262.

**SUPPLEMENTARY INFORMATION:** Under EWCP, SBA guarantees short-term working capital loans made by participating lenders to exporters for the purpose of financing export transactions. EWCP is intended to replace SBA's Export Revolving Line of Credit (ERLC) Program. Accordingly, SBA's regulations for the ERLC Program (13 CFR 122.54) will not apply to EWCP loans.

The SBA and the Export-Import Bank of the United States (Exim Bank) are working to harmonize their export financing programs to facilitate small business access to either program. Accordingly, many features of SBA's EWCP will focus on assisting smaller businesses that need a guaranty of \$750,000 or less and Exim Bank's Export Working Capital Guaranty Program (EWCPG) will serve the credit needs of larger businesses and small businesses with credit needs beyond \$750,000.

The details of SBA's EWCP pilot were spelled out in the earlier notice to which reference has been given. Under the harmonization program, SBA and Exim Bank have coordinated their programs to increase access and reduce redundancies in the delivery systems. Among the harmonization efforts undertaken to date are a common application, similar documentation requirements for application, greater standardization of interest rate and fee

<sup>1</sup> Rule 17a-8 provides an exemption from the affiliated transaction prohibition of section 17(a) of the Act for a merger of investment companies that may be affiliated persons of each other solely by reason of having a common investment adviser, common directors, and/or common officers.

policies, more direct involvement of the lending institutions through delegated authorities, and a coordinated promotion of the programs. These and other efforts enable small businesses and small business lenders to select the program best suited to their needs and to access either program without the need to meet differing documentation and application requirements. SBA's experience with the pilot has been excellent. During the first ten months of the program, 145 EWCP loans have been made, exceeding the last year's annual production for the ERLC program by 167%. However, the harmonization effort continues and is scheduled to be reviewed and assessed during Fiscal Year 96. For this reason SBA is extending the pilot for an additional six months during which time the Agency will evaluate which aspects of the program should be incorporated into permanent regulations.

During the continuation of the pilot, EWCP loans will not be eligible for sale in the secondary market that exists for 7(a) loans.
