**Acid Rain Program: Notice of Annual Adjustment Factors for Excess Emissions Penalty**

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of annual adjustment factors for excess emissions penalty.

**SUMMARY:** Under the Acid Rain Program, affected units must hold enough allowances to cover their sulfur dioxide emissions and meet an emission limit for nitrogen oxides. Under 40 CFR 77.6,

units that do not meet these requirements must pay a penalty without demand to the Administrator based on the number of excess tons emitted times \$2000 as adjusted by an annual adjustment factor that must be published in the **Federal Register**.

The annual adjustment factor for adjusting the penalty for excess emissions of sulfur dioxide under 40 CFR Part 77 for compliance year 1995 is 1.196. This value is derived from the Consumer Price Index for 1990 and 1995, as defined in 40 CFR 72.2, and corresponds to a penalty of \$2392 per excess ton of sulfur dioxide emitted.

The annual adjustment factor for adjusting the penalty for excess emissions of sulfur dioxide and nitrogen oxides under 40 CFR Part 77 for compliance year 1996 is 1.227. This value is derived from the Consumer Price Index for 1990 and 1996, as defined in 40 CFR Part 72, and corresponds to a penalty of \$2454 per excess ton of sulfur dioxide or nitrogen oxides emitted.

*Needs and Uses:* Part 61 rules are designed to ensure that all tariffs filed by common carriers are formally sound, well organized, and provide the Commission and the public with sufficient information to determine the justness and reasonableness as required by the Act. The Commission is modifying Part 61 to implement a separate basket for LEC provided video dialtone service. Video dialtone service differs sufficiently from basic telephone service in the other price cap baskets to warrant the creation of its own basket. The tariffs and cost support information accompanying them will be used by the FCC staff to ensure that the tariff rates to be paid for basic video dialtone services are just reasonable, and nondiscriminatory, as Section 201 and 202 of the Communications Act require.
