INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-725(F)]

Manganese Sulfate From the People's Republic of China; Commission Determination To Conduct a Portion of the Hearing In Camera

AGENCY: International Trade Commission.

ACTION: Closure of a portion of a Commission hearing to the public.

SUMMARY: Upon request of respondents in the above-captioned final investigations, the Commission has unanimously determined to conduct a portion of its hearing scheduled for October 3, 1995, *in camera*. See Commission rules 207.23(d), 201.13(m) and 201.35(b)(3) (19 CFR 207.23(d), 201.13(m) and 201.35(b)(3)). The remainder of the hearing will be open to the public. The Commission unanimously has determined that the seven-day advance notice of the change to a meeting was not possible. See Commission rule 201.35(a), (c)(1) (19 CFR 201.35(a), (c)(1)).

FOR FURTHER INFORMATION CONTACT: James M. Lyons, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, DC 20436, telephone 202-205-3094. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission believes that the respondents have justified the need for a closed session. A full discussion of competition in the industry and the domestic industry's financial condition can only occur if a portion of the hearing is held *in camera*. Because certain information is not publicly available, any discussion of issues relating to this information will necessitate disclosure of business proprietary information (BPI). Thus, such discussions can only occur if a portion of the hearing is held *in camera*. In making this decision, the Commission nevertheless reaffirms its belief that whenever possible its business should be conducted in public.

The hearing will include the usual public presentations by petitioners and by respondents, with questions from the Commission. In addition, the hearing will include an *in camera* session for a presentation that discusses BPI by respondents and for questions from the Commission relating to the BPI, followed by a similar *in camera*
