

1994, the Respondent continued to deny knowledge of that fact. Although, as Judge Tenney noted, the transcripts of the conversation between the Respondent and the Special Agent did not demonstrate that the Special Agent had expressed the words, "the television is stolen," they clearly indicated that the Respondent was aware of the Special Agent's access to stolen property, that the Respondent knew the value of the television, and that the Respondent paid the Special Agent merely a fraction of that value. Thus, the Respondent's testimony at the October 1994 hearing demonstrates his failure to be truthful, a fact which impacts upon a determination of whether his conduct may threaten the public health and safety under factor five.

Further, the Respondent asserted that he was sure he would not engage in misconduct related to controlled substances in the future, yet he offered no evidence of remedial actions he has taken since his 1989 conviction to substantiate his assurances. Also, he testified that his medical practice remained the same, yet he did not submit any evidence to substantiate the fact that he remedied his problems concerning falsifying patient records and failing to conduct medical examinations prior to dispensing medication. For example, he submitted no evidence of acquiring additional education in the handling of controlled substances. Thus, the Deputy Administrator concurs with Judge Tenney's conclusion that DEA "has not been adequately assured that the Respondent will responsibly use a DEA Certificate of Registration." Therefore, the Deputy Administrator finds that the public interest is best served by denying the Respondent's application for a DEA Certificate of Registration at this time.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823, and 21 CFR 0.100(b) and 0.104, hereby orders that the application for a DEA Certificate of Registration submitted by Albert L. Pulliam, M.D. be, and it hereby is, denied. This order is effective November 24, 1995.

Dated: October 13, 1995.

Stephen H. Greene,  
Deputy Administrator.
