Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute and to the Department of Commerce's (the Department) regulations are in reference to the provisions as they existed on December 31, 1994.

Final Determination

We determine that certain partial-extension steel drawer slides with rollers (drawer slides) from the People's Republic of China (PRC) are being, or are likely to be, sold in the United States at less than fair value (LTFV), as provided in section 735 of the Tariff Act of 1930, as amended (the Act). The estimated margins are shown in the "Continuation of Suspension of Liquidation" section of this notice.

Case History

Since the preliminary determination of sales at LTFV on May 30, 1995 (60 FR 29571, June 5, 1995), the following events have occurred:

On June 8, 1995, the three respondents, Guangdong Metals and Minerals Import and Export Group Corporation (GDMC), Taiming Metal Products Co., Ltd. (Taiming), and Sikai Hardware & Electronic Equipment Manufacturing Co., Ltd. (SHEEM), jointly submitted clerical error allegations to the Department's preliminary determination. While the Department found that a clerical error was made in the preliminary determination for GDMC, because the clerical error was not significant, as defined in 19 CFR 353.15, no revision to the preliminary determination was made.

On June 15, 1995, Tung Wing (Hardware) Industrial Company submitted a letter to the Department stating that it is a manufacturer of the subject merchandise in the PRC and gave notice of appearance as an interested party. It also requested a public hearing in this investigation. On the same day, three interested parties, Liberty Hardware Mfg. Corp., Armstrong Furniture, and Sauder Woodworking also requested a public hearing.

Additional publicly available published information on surrogate values was submitted by the petitioner and the respondents on July 6 and 10, 1995, respectively. The petitioner also submitted pre-verification comments on
