

F. Periodic Evaluation

DOE believes that its ADR policy should continue to evolve. To that end, it has determined to periodically evaluate the ADR program and the steps taken toward its effective implementation. The Dispute Resolution Specialist will report annually to the General Counsel and the Secretary on the Department's progress in implementing this policy and will recommend any necessary revisions.

In addition, pursuant to Section 3(a) of the ADRA, the Dispute Resolution Specialist will consult with the Administrative Conference of the United States and the Federal Mediation and Conciliation Service concerning steps to develop and strengthen the Department's ADR capabilities.

DOE welcomes and encourages input on the use of ADR from both within and outside the Department.

Issued in Washington, DC on September 18, 1995.

Robert R. Nordhaus,
General Counsel.
