Title: Emergency Management Institute Field Evaluation System—Course Evaluation Forms.

Abstract: Students attending the Emergency Management Institute nonresident program courses conducted by State emergency management agencies are given course evaluation forms at the beginning of the course to evaluate course content and delivery as the material is presented. The data is used by States, FEMA Regions, and the Emergency Management Institute to determine the strengths and weaknesses of EMI courses delivered in the field and to improve course design, content, instruction methods, recruitment, and administration.

Course managers at the State level must also evaluate each nonresident program course and submit to the appropriate FEMA Regional Office end-of-course evaluation packages which include the Participant Course Evaluation Form, a Course Manager Evaluation Form, and a Course Evaluation Transmittal Form.

Type of Respondents: Individuals and State and local governments.

Estimate of Total Annual Reporting and Recordkeeping Burden: 5,584 hours.

Number of Respondents: 20,000 students, 1,000 course managers.

Estimated Average Burden Time per Response: 16 minutes for students, 35 minutes for course managers.

Frequency of Response: At the completion of each course.

Dated: September 26, 1995.
