**Transcontinental Gas Pipe Line
Corporation; Notice of Proposed
Changes in FERC Gas Tariff**

October 25, 1995.

Take notice that on October 19, 1995, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheets are enumerated in Appendix A attached to the filing. Such tariff sheets are proposed to be effective October 4 and November 1, 1995.

Transco states that the purpose of the instant filing is to revise currently effective tariff provisions to comply with the October 4, 1995 "Order Following Technical Conference" (October 4 Order) which directed Transco, among other things, to (i) clarify that Section 49 of its General Terms and Conditions only applies to existing capacity and to provide a detailed explanation of the type of existing capacity that may become available that would be subject to the requirements of Section 49(ii) revised Section 49.1(b) to provide a minimum bid period of 5 business days for firm

capacity which will be available for more than 1 month but less than 12 months (iii) revise Section 49.1(c) to provide a minimum bid period of 30 business days for firm capacity which becomes available for 12 months or longer (iv) revise Section 48.2 of its General Terms and Conditions to provide for a minimum bid period of 15 days for capacity subject to the right of first refusal and (v) revise Section 43.3 of the General Terms and Conditions to provide that the posting requirement applies to any affiliate, not just a marketing affiliate. In compliance with the October 4 Order, Transco is submitting the revised tariff sheets contained in Appendix A.

Transco respectfully requests that the Commission grant a waiver of Section 154.22 of its Regulations, and any other waivers that may be necessary, in order that the enclosed tariff sheets, be made effective as proposed herein.

Transco states that it is serving copies of the instant filing to its customers, State Commissions and interested parties to Docket No. RP95-197.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC

20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before November 1, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Williams Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

October 25, 1995.

Take notice that on October 19, 1995, Williams Natural Gas Company (WNG) tendered for filing to become part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets:

To Be Effective April 30, 1995

First Revised Original Sheet Nos. 201-203
Second Substitute Original Sheet No. 229B
and 229C

Substitute First Revised Sheet No. 230

To Be Effective July 1, 1995

Substitute First Revised Sheet Nos. 201-203

WNG states that by order issued November 30, 1994, the Commission accepted and suspended tariff sheets filed on October 31, 1994, by WNG in this docket to provide for daily balancing penalties at receipt and delivery points where 95 percent of volumes are measured by electronic flow measurement equipment, subject to refund and to the outcome of a technical conference. The Commission set the effective date of the tariff sheets as the earlier of April 30, 1995 or the completion of the review of the technical conference. By order issued October 4, 1995, the Commission accepted WNG's proposal for daily balancing penalties, subject to WNG submitting revised tariff sheets with clarifications. WNG states that the instant filing is being made to clarify WNG's daily balancing penalty provisions.

WNG states that a copy of its filing was served on all participants listed on the service lists maintained by the Commission in the docket referenced above and on all of WNG's jurisdictional customers and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before November 1, 1995. Protests will be considered by the Commission in determining the
