

of trading in broad-based index warrants.

Upon approval of this filing, the Exchange proposes that additional Commission review of a specific narrow-based warrant issuance will be required only for warrants overlying narrow-based indexes that have not previously been approved by the SEC for option or warrant trading. Thus, upon approval of this filing, the Exchange proposes it be permitted to list a warrant on any narrow-based index that the SEC has already approved for option trading.<sup>8</sup>

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Act in general and furthers the objectives of Section 6(b)(5) in particular in that it is designed to prevent fraudulent and manipulative acts and practices and to promote just and equitable principles of trade, and is not designed to permit unfair discrimination between customers, issuers, brokers and dealers.

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange believes the proposed rule change will reduce or eliminate a burden on competition by allowing the listing of warrants on narrow-based indexes in the same manner as options on narrow-based indexes.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

The Exchange has neither solicited nor received written comments on the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the publication of this notice in the Federal Register or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

<sup>8</sup>In order to expedite SEC review of a particular warrant issuance, the Exchange may file for approval of the index underlying the proposed warrants pursuant to the procedures and criteria set forth in Commentary .02 to Rule 901C. These criteria establish streamlined procedures for listing options on stock industry groups (*i.e.*, narrow-based). Accordingly, the Exchange proposes that the same criteria apply to subsequent proposals to establish narrow-based indexes which underlie proposed warrant issuances.

(A) by order approve the proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street NW., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. § 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street NW., Washington, D.C. 20549. Copies of such filing will also be available for inspection and copying at the principal office of the Amex.
