East Tennessee Natural Gas Company; Notice of Tariff Filing

November 6, 1995.

Take notice that on November 2, 1995, East Tennessee Natural Gas Company (East Tennessee), tendered for filing the following amendments to its FERC Gas Tariff, Second Revised Volume No. 1:

First Revised Sheet No. 52

Original Sheet No. 52A

First Revised Sheet No. 103

First Revised Sheet No. 104

First Revised Sheet No. 105

East Tennessee is proposing to lower its Unauthorized Overrun charge to \$15 per dth, to delete the current Unauthorized Overrun charge language in Section 5.1 of its LMS-MA rate schedule, to be replaced with a "Maximum Allowed Deliveries" (MAD) provision, and to add a provision allowing East Tennessee to waive Daily Variance Charges on a nondiscriminatory basis. East Tennessee states that the primary function of the proposed MAD language is to eliminate East Tennessee's need to use Operational Flow Orders to prevent shippers from exceeding their firm entitlements. East Tennessee is lowering its Unauthorized Overrun Charge in response to customer requests and adding the waiver provision to enable it to respond to extenuating circumstances.

Any person desiring to be heard or to make any protest with reference to said filing should file a petition to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, D.C. 20426, in accordance with Section 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214. All such petitions or protests should be filed on or before November 14, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to this proceeding. Any person wishing to become a party must file a petition to intervene. Copies of this filing are on file and available for public inspection.

El Paso Electric Company; Supplemental Notice of Application

November 6, 1995.

This notice supplements the notice issued the Commission on October 19, 1995, in this Docket.

Take notice that on October 11, 1995, El Paso Electric Company (El Paso) filed application under § 204 of the Federal Power Act seeking authorization to issue securities and assume obligations and liabilities under a primary plan and an alternative plan associated with El Paso's reorganization and emergence from bankruptcy. Under the primary plan El Paso would issue several series of first mortgage bonds, preferred stock and common stock. Under the alternate plan, El Paso would issue first mortgage bonds, second mortgage bonds, subordinated debentures, preferred stock, and common stock.

Under either plan, El Paso would also enter into other financing arrangements including (1) a Nuclear fuel Trust arrangement for the nuclear fuel at the Palo Verde Nuclear Generating Station, (2) a revolving credit facility in the amount of \$100 million, and (3) modifications to the letters of credit underlying the pollution control bonds issued by the Maricopa County Arizona Pollution Control Corporation and by the City of Farmington, New Mexico.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, D.C. 20426 in accordance with Rules 211 and 214 of the Commission's Rules of Practice

and Procedure (18 CFR 385.211 and 385.214). All such motions or protests should be filed on or before November 15, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Equitrans, Inc.; Notice of Tariff Filing

November 6, 1995.

Take notice that on November 1, 1995, Equitrans, Inc. (Equitrans) tendered for filing to become part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheets, with an effective date of November 1, 1995:

Fifth Revised Sheet No. 5

Third Revised Sheet No. 7

Equitrans states that it filed a Stipulation and Agreement in the captioned proceedings on July 31, 1995. Equitrans states that the Stipulation and Agreement resolves the remaining reserved issue in Equitrans' general Section 4(e) rate cases, namely, the treatment of stranded production well plugging and abandonment costs and the future treatment of Equitrans' production function. By Order issued on September 28, 1995, the Commission approved the uncontested Stipulation and Agreement filed by Equitrans. Equitrans states that its filing is intended to implement a demand surcharge of \$0.0923 per Dth applicable to all firm Part 284 open-access rate schedules for the stranded cost recovery of no more than \$2.6 million for abandoned production plant and well plugging costs over a four year period in accordance with the provisions of the Stipulation and Agreement and the Commission's Order.

Any person desiring to protest this application should file a protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before November 14, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.

Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Natural Gas Pipeline Company of America; Notice of Proposed Changes in FERC Gas Tariff and Motion To Make Rates Effective

November 6, 1995.

Take notice that on October 31, 1995, Natural Gas Pipeline Company of America (Natural) tendered for filing proposed changes in its FERC Gas Tariff, Sixth Revised Volume No. 1, to become effective December 1, 1995.

Natural states that the purpose of this filing is to comply with the Commission's "Order Following Technical Conference" issued October 11, 1995, in Docket Nos. RP95-326-000, et al. and RP95-242-000, et al. The Order allowed Natural to implement new services effective December 1, 1995, subject to modifications. Natural states that certain existing services will be cancelled as a result of the approval of the new services.

Natural also states that it is submitting revised rates under motion. Natural states that the rates are lower than the rates set out in its Pro Forma Case filed July 11, 1995. Natural states that it is also filing to reflect reduced fuel and gas lost percentages.

Natural requests whatever waivers may be necessary to permit the tariff sheets as submitted to become effective December 1, 1995.

Natural states that copies of the filing are being mailed to all parties on the restricted service list in the referenced dockets.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before November 14, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Sabine Pipe Line Company; Notice of Compliance Filing

November 6, 1995.

Take notice on November 1, 1995, Sabine Pipe Line Company (Sabine) tendered for filing Second Revised Sheet No. 226 and Original Sheet No. 226A to its FERC Gas Tariff, Second Revised Volume No. 1 in compliance with the Commission letter order issued in this docket on October 20, 1995. Sabine requests an effective date on October 20, 1995, for the revised tariff sheets.

Sabine states that the purpose of the filing is to clarify Sabine's nomination procedures for transportation that commences on any day other than the first day of the month, in accordance with the Commission's order issued in this docket on October 20, 1995. Sabine clarifies that nomination deadlines will be posted for 30 days prior to the effective date. Sabine states that any proposed change that would result in a nomination deadline earlier than the existing deadline of 9 a.m. Central Time on the business day preceding the commencement of service would still require prior Commission approval.

Sabine states that copies of this filing were served on Sabine's jurisdictional customers, the state regulatory commissions of Texas and Louisiana, and other interested parties.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before November 14, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
