

has not been reviewed by Office of Management and Budget (OMB).

#### Federal Assistance Program

The title and number of the Federal Assistance Program, as found in the Catalog of Federal Domestic Assistance, to which this rule applies are: Commodity Loans and Purchases—10.051.

#### Environmental Evaluation

It has been determined by an environmental evaluation that this action will have no significant impact on quality of the human environment. Therefore, neither an environmental assessment nor an environmental impact statement is needed.

#### Executive Order 12372

This program/activity is not subject to the provisions of Executive Order 12372 which requires intergovernmental consultation with State and local officials. See the notice related to 7 CFR part 3015, subpart V published at 48 FR 2915 (June 24, 1983).

#### Executive Order 12778

This final rule has been reviewed in accordance with Executive Order 12778. The provisions of this final rule are not retroactive and preempt State laws to the extent that such laws are inconsistent with the provisions of this final rule. Before any legal action is brought regarding determinations made under provisions of 7 CFR Part 1464, the administrative appeal provisions set forth at 7 CFR Part 780 must be exhausted.

#### Paperwork Reduction Act

This final rule does not change the Consolidated Farm Service Agency information collection requirements that have been approved by OMB and assigned control number 0560-0058. FCIC information collection requirements for 0563-0003 have been modified and approved by OMB to reflect the program requirements imposed by the Federal Crop Insurance Reform Act of 1994.

#### Background and Discussion

Section 106 of the 1994 Act amended Section 508 of the FCIA (7 USC 1501 *et seq.*) to provide in 508 (b)(7) that individuals and entities will not be eligible for any price support or production adjustment program, the Conservation Reserve Program, or any benefit described in section 371 of the Consolidated Farm and Rural Development Act, unless that person or entity obtains at least the catastrophic level of insurance for each crop of

economic significance grown on each farm in the county in which the producer has an interest, if insurance is available in the county for the crop. Section 508 (b)(7) specifies that the term "crop of economic significance" means a crop that has contributed, or is expected to contribute 10 percent or more of the total expected value of all crops grown by the producer.

Other provisions of Section 508 govern the establishment of catastrophic insurance by the FCIC and rules governing these requirements have been codified in 7 CFR Parts 400 and 402. Consequently, the aforementioned May 1, 1995, amended the tobacco program regulations in 7 CFR part 1464 to incorporate the requirements of the 1994 Act by reference to 7 CFR parts 400 and 402. No comments were received and it has been determined that the interim rule should be made final.

Accordingly, the interim rule published in the Federal Register (60 FR 21036, May 1, 1995) amending 7 CFR part 1464 is adopted as final without change.

Signed at Washington, D.C., on November 7, 1995.

Bruce R. Weber,

*Acting Executive Vice President, Commodity Credit Corporation.*

### Immigration and Naturalization Service

#### 8 CFR Part 100

[INS No. 1682-94]

RIN 1115-AD72

#### Implementation of Field Office Structure Within the Immigration and Naturalization Service

**AGENCY:** Immigration and Naturalization Service, Justice.

**ACTION:** Final rule.

**SUMMARY:** This rule updates existing Immigration and Naturalization Service (Service) field office structure due to the reorganization effective January 14, 1994. This regulation, which reflects the division of the Service into regions, districts, suboffices, and border patrol sectors, is necessary to ensure that the public has current and accurate up-to-date information on field office structures.

**EFFECTIVE DATE:** November 14, 1995.

**FOR FURTHER INFORMATION CONTACT:** Janet Taylor, Program Analyst, Office of

Policy and Planning, Immigration and Naturalization Service, 425 I Street, NW., Room 6052, Washington, DC 20536, telephone (202) 514-3242.

**SUPPLEMENTARY INFORMATION:** The reorganization of the Immigration and Naturalization Service was approved by Attorney General Reno on January 14, 1994. The reorganization: (a) Created a clearer sense of mission by consolidating the Service's major functions and programs; (b) decentralized decision-making authority and delegated authority to persons geographically closer to the locations where work is being performed; (c) empowered field operational units to improve the delivery of services to customers; (d) reengineered major processes, such as those which develop and disseminate organizational policy and guidelines, and which are outdated approaches to handling records and information; and (e) developed a capability and commitment to plan for the future, set customer service standards, and established quantitative performance measures to enable the Service to evaluate its programs and service delivery.

The Service performs its functions through an extensive network of sites, located in proximity to the customers it serves and the locations where enforcement presence is most needed. The Nation is divided into three regions, each headed by a Regional Director, who directs all aspects of the Service's field operations within his/her assigned geographic areas of activity relating to the administration of immigration laws. The Regional Directors direct and supervise Regional operations staff, District Directors, and Chief Patrol Agents. There are 33 domestic Districts (consisting of Suboffices and Ports-of-Entry) allotted among the three Regions, each headed by a District Director reporting to a Regional Director. In addition, there are three overseas Districts (consisting of Suboffices) which report to the Director, International Affairs. As constituent elements of a field organization, domestic Districts represent the direct operating level of the Service's structure and have been delegated authority for the execution of program operations. Overseas Districts, reporting directly to national Headquarters, perform analogous program functions for immigration matters arising within their geographic areas of jurisdiction. There are 21 Border Patrol Sectors (consisting of Stations), within the three regions, each directed by a Chief Patrol Agent reporting to a Regional Director. The primary mission of the Border Patrol is

to control the national border; prevent illegal entry; apprehend and remove aliens who enter illegally; and prevent alien smuggling. Secondly, the Border Patrol is responsible for the ancillary mission of interdicting illegal narcotics and contraband while conducting operations in support of its primary mission.

The Service's implementation of this rule as a final rule is based upon the exception found at 5 U.S.C. 553(b)(3)(B) and (d). This rule relates to agency management.

#### Regulatory Flexibility Act

The Commissioner of the Immigration and Naturalization Service, in accordance with the Regulatory Flexibility Act (5 U.S.C. 605 (b)), has reviewed this regulation and, by approving it, certifies that the rule will not have a significant economic impact on a substantial number of small entities. This regulation deals with an internal reorganization within the Service, as discussed in the Supplemental section of this document.

#### Executive Order 12866

This rule is considered by the Department of Justice, Immigration and Naturalization Service, to be a "nonsignificant regulatory action" under Executive Order 12866, section 3(f), Regulatory Planning and Review and the Office of Management and Budget has waived its review process under section 6(a)(3)(A).

#### Executive Order 12612

This regulation will not have substantial direct effects on the States, on the relationship between the National Government and the States or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 12612, it is determined that this rule does not have sufficient Federalism implications to warrant preparation of a Federalism Assessment.

BILLING CODE 4410-10-M

**NATIONAL CREDIT UNION  
ADMINISTRATION**

**12 CFR Part 707**

**Truth in Savings**

**AGENCY:** National Credit Union Administration.

**ACTION:** Final rule: extension of compliance date.

**SUMMARY:** The NCUA Board is extending the compliance date for nonautomated and insufficiently automated credit unions that have assets of \$2 million or less as reported to, or determined by, the NCUA. The extension gives the smaller, automation impaired credit unions continued immunity from compliance until Congress has acted on its contemplated regulatory relief initiatives, which might ultimately exempt their compliance with Truth in Savings.

**DATES: Effective Date:** This document is effective January 1, 1996.

**Compliance Date:** The compliance date of part 707 is amended and extended to January 1, 1997, for credit unions of an asset size of \$2 million or less as reported to, or determined by, the NCUA, that are not sufficiently automated.

**FOR FURTHER INFORMATION CONTACT:** Richard Schulman, Associate General Counsel, or Martin Conrey, Staff Attorney, Office of General Counsel, telephone (703) 518-6540.

**SUPPLEMENTARY INFORMATION:**

**Background**

**Prior Extensions**

NCUA has twice before extended the compliance date for part 707, which implements the Truth in Savings Act (TISA), for certain small, underautomated credit unions. Both times, the NCUA Board took into consideration the limited resources of the exempted credit unions. The first time, the compliance date of part 707 was extended to March 31, 1995, for credit unions of an asset size between \$500,000 and \$1 million as of December 31, 1993, that are not automated. (Final rule, 59 FR 13435, March 22, 1994.) Simultaneously, the compliance date of part 707 was extended to June 30, 1995, for credit unions of an asset size of less than \$500,000 as of December 31, 1993, that are not automated. The second time, the compliance date of part 707 was extended to January 1, 1996, for credit unions of an asset size of \$2 million or less as of December 31, 1993, that were nonautomated or grossly
