NAP Trading and Marketing, Inc.;
Notice of Issuance of Order

November 7, 1995.

On June 28, 1995, as amended September 29, 1995, NAP Trading and Marketing Inc. (NAP) submitted for filing a rate schedule under which NAP will engage in wholesale electric power and energy transactions as a marketer. NAP also requested waiver of various Commission regulations. In particular, NAP requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by NAP.

On October 25, 1995, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by NAP should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, NAP is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of NAP's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is November 24, 1995.

Copies of the full text of the order are available from the Commission's Public

The Southwire Co.; Notice of Issuance of Order

November 7, 1995.

On December 27, 1993 and July 25, 1995, The Southwire Company (Southwire) submitted for filing a power sale agreement with the Oglethorpe Power Corporation. In that filing, Southwire requested waiver of various Commission regulations. In particular, Southwire requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Southwire.

On October 25, 1995, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Southwire should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, Southwire is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Southwire's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is November 24, 1995.

[Docket No. CP94-550-001]

Washington Natural Gas Co., as Project Operator; Notice of Petition to Amend

November 7, 1995.

Take notice that on October 20, 1995, Washington Natural Gas Company, as Project Operator of the Jackson Prairie Storage Project (Applicant), 815 Mercer Street, Seattle, Washington 98109, filed in Docket No. CP94-550-001 a petition pursuant to Section 7(c) of the Natural Gas Act (NGA) to amend the certificate issued November 16, 1994 in this proceeding all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Applicant states that the certificate issued November 16, 1994 authorized Applicant to add 3 Bcf of cushion gas and to increase the shut-in bottom hole reservoir pressure to 1225 psia in Zone 9 at the Jackson Prairie Storage Project (Storage Project) located in Lewis County, Washington. Further, Applicant states that it expects to reach the maximum certificated shut-in bottom hole reservoir pressure in mid-November. Therefore Applicant is requesting authority to increase the maximum allowable shut-in bottom hole reservoir pressure to 1325 psia in order to complete the testing of Zone 9 of the Storage Project.

Any person desiring to make any protest with reference to said application should on or before November 28, 1995, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (19 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in the hearing therein must file a motion to intervene in accordance with the Commission's rules.

Take further notice that, pursuant to authority contained in and subject to the jurisdiction conferred upon the Federal
