SUPPLEMENTARY INFORMATION:

Background

On June 13, 1995, the Department published a final rule incorporating provisions from proposals published on June 10, 1994, and January 27, 1995. The final rule implemented provisions of Public Law 103-448, the Healthy Meals for Healthy Americans Act of 1994, requiring that a variety of meal planning approaches be made available to school food authorities, including "food-based menu systems," and that school meals comply with the *Dietary Guidelines for Americans*. In addition, the final rule contained provisions to streamline the administration of the school meal programs. However, the final rule, as published, contained errors in the regulatory text that need correction.

Correction of Publication

Accordingly, the publication on June 13, 1995, is corrected as follows:
