**J. Hertling and Company, Inc.;
Brooklyn, NY; Amended Certification
Regarding Eligibility To Apply for
Worker Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on October 13, 1995, applicable to all workers of J. Hertling and Company, Incorporated, located in Brooklyn, New York. The notice was published in the Federal Register on October 27, 1995 (60 FR 55064).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. New information provided by the State shows that some of the workers at J. Hertling had their unemployment insurance (UI) taxes paid to Hertling Industries, Morris Hertling Inc., and Morrison Mfg. Co., Inc. Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports of men's apparel.

The amended notice applicable to TA-W-31,341 is hereby issued as follows:

"All workers of J. Hertling and Company, Incorporated, a/k/a Hertling Industries, a/k/a Morris Hertling, Inc., and a/k/a Morrison Mfg. Co., Inc., Brooklyn, New York who became totally or partially separated from employment on or after August 1, 1994 are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974."

Signed at Washington, DC, this 6th day of November 1995.

Russell T. Kile,

Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

**Job Corps: Preliminary Finding of No
Significant Impact (FONSI) for the New
Job Corps Center on the Loring AFB
in Caribou, ME**

AGENCY: Employment and Training Administration, Labor.

ACTION: Preliminary Finding of No Significant Impact (FONSI) for the New Job Corps Center on Loring AFB.

SUMMARY: Pursuant to the Council on Environmental Quality Regulations (40 CFR part 1500-08) implementing procedural provisions of the National Environmental Policy Act (NEPA), the Department of Labor, Employment and Training Administration, Office of Job Corps, in accordance with 29 CFR 11.11(d), gives notice that an Environmental Assessment (EA) has been prepared and the proposed plans for the new Loring AFB Job Corps Center will have no significant environmental impact, and this Preliminary Finding of No Significant Impact (FONSI) will be made available

for public review and comment for a period of 30 days.

DATES: Comments must be submitted by December 18, 1995.

ADDRESSES: Any comment(s) are to be submitted to Amy Knight, Employment and Training Administration, Department of Labor, 200 Constitution Ave., NW., Washington, DC 20210, (202)219-5468.

FOR FURTHER INFORMATION CONTACT: Copies of the EA and additional information are available to interested parties by contacting Albert Glastetter, Director, Region I (One), Office of Job Corps, One Congress Street, 11th Floor, Boston, Massachusetts, 02114, (617)565-2167.

SUPPLEMENTARY INFORMATION: The proposed site, located in ten existing buildings on the Loring AFB, is comprised of approximately 30 acres. The site is part of the larger AFB complex which consists of approximately 8,317 acres, but which is to be down-sized pursuant to findings of the Defense Base Realignment and Closure Commission. Loring AFB has served in its military role since 1917. The proposed site is bordered by Texas Road to the north, Georgia Road to the east, Weinman Road to the south, and Cupp Road to the west.

The proposed Job Corps Center is designed to accommodate 392 full-time students with dormitories, educational/vocational facilities, food service facilities, medical/dental facilities, recreational facilities, administrative offices, storage and support. Approximately 268,759 gross square feet in the existing buildings will be rehabilitated, with the addition of 5,940 gross square feet of new structure. The proposed project is designed to be constructed in accordance with the local fire, building, and zoning code requirements.

The site is located in a rural setting with open space extending in all directions. To the west, across Cupp Road, there is a substantial ten-acre wetland, while to the south there is a large wooded area. Outdoor recreational facilities include nearby baseball and softball fields, tennis courts, basketball courts, a running track, and walking trails.

The new facilities associated with the Job Corps will make use of an existing roadway and infrastructure such as water and sewer lines, telephone poles, and stormwater drainage systems. The proposed building rehabilitation program will include the proper mitigation of all asbestos materials and lead-based paint, where necessary. Underground storage tanks and
