FEDERAL TRADE COMMISSION

16 CFR Part 423

Request for Comments Concerning Trade Regulation Rule on Care Labeling of Textile Wearing Apparel and Certain Piece Goods

AGENCY: Federal Trade Commission.
ACTION: Request for public comments.

SUMMARY: The Federal Trade Commission (the "Commission") is requesting public comments on a proposed conditional exemption to its Trade Regulation Rule on Care Labeling of Textile Wearing Apparel and Certain Piece Goods ("the Care Labeling Rule" or "the Rule"). The proposed conditional exemption would permit the use of certain care symbols in lieu of words on the permanently attached care label, as long as hangtags with explanatory language are used for the first 12 month period of symbol use. All interested persons are hereby given notice of the opportunity to submit written data, views and arguments concerning this proposal.

DATES: Written comments will be accepted until January 31, 1996.

ADDRESSES: Comments should be directed to: Secretary, Federal Trade

Commission, Room H-159, Sixth and Pennsylvania Ave., NW., Washington, DC 20580. Comments about this conditional exemption to the Care Labeling Rule should be identified as "Conditional exemption for symbols, 16 CFR Part 423—Comment."

FOR FURTHER INFORMATION CONTACT: Constance M. Vecellio, Attorney, Federal Trade Commission, Washington, DC 20580, (202) 326-2966.

SUPPLEMENTARY INFORMATION:

I. Introduction

On June 15, 1994, the Commission published a Federal Register notice ("FRN") requesting comment on various aspects of the Care Labeling Rule, including whether the Rule should be modified to permit the use of symbols in lieu of words. The Commission has now tentatively determined to permit the use of certain symbols, under certain conditions, and now seeks additional comment on the specifics of the proposal. The Commission will summarize other results of the regulatory review it conducted in a separate notice.

II. Background

The Rule was promulgated by the Commission on December 16, 1971, 36 FR 23883 (1971), and amended on May 20, 1983, 48 FR 22733 (1983). The Rule makes it an unfair or deceptive act or practice for manufacturers and importers of textile wearing apparel and certain piece goods to sell these items without attaching care labels stating "what regular care is needed for the ordinary use of the product." (16 CFR 423.6(a) and (b)) The Rule also requires that the manufacturer or importer possess, prior to sale, a reasonable basis for the care instructions. (16 CFR 423.6(c))

The "Terminology" section of the Rule, 16 CFR 423.2(b), currently requires that care instructions be stated in "appropriate terms," although it also states that "any appropriate symbols may be used on care labels or care instructions, *in addition to the required appropriate terms* so long as the terms fulfill the requirements of this regulation." (Emphasis added). Although the Rule does not specifically state that the instructions must be in English, they usually are in English. The FRN stated that the North American Free Trade Agreement ("NAFTA") "has created industry interest in being permitted to use symbols in lieu of words to provide care instructions, and the Commission seeks comment on the costs and benefits of such a change."
