Health Standards and Quality Bureau; Statement of Organization, Functions, and Delegations of Authority; Correction

AGENCY: Health Care Financing Administration, HHS.

ACTION: Correction.

SUMMARY: In notice document 95-20692, page 43603 in the first column, in the issue of Tuesday, August 22, 1995, the functional statement for the Survey Training Improvement Team (FLH1) did not accurately reflect the current functions. The new functional statement will read as follows:

a. Survey Training Improvement Team (FLH1)

- Develops and implements the national survey training system.
- Directs and coordinates development, measurement and improvement of an integrated survey training program for HCFA regional office and State agency personnel on interpretation of regulations, survey protocols, procedures and techniques and certification issues.
- In conjunction with the specific program centers, insures that training schedules, materials and techniques are current and comprehensive and meet the needs of HCFA regional office and State agency personnel.
- Serves as the focal point for development of HCFA's distance learning network.

- Evaluates program-related data, including customer service and systems performance data, and develops approaches for improvements to program management, operations and training.

- Manages mission specific contracts.
- Serves as the focal point for administering the certification of Continuing Education Units under the auspices of the International Association for Continuing Education and Training.

Dated: November 7, 1995.
