Public Health Service

Research and Demonstration Projects for Indian Health

AGENCY: Indian Health Service.

ACTION: Notice of single source cooperation agreement with the American Indian Health Care Association, Inc. (AIHCA).

SUMMARY: The Indian Health Service (IHS) announces the award of a cooperative agreement to the American Indian Health Care Association, Inc. (AIHCA) for a demonstration project for urban Indian health care advocacy, consultation, health data dissemination, training, and technical assistance. The project is for a one year project period effective September 30, 1995, to September 29, 1996. Funding for the project is \$200,000.

The award is issued under the authority of the Public Health Service Act, sec. 301, and is listed under Catalog of Federal Domestic Assistance number 93.933.

The specific objectives of the project are:

1. To develop model financial management systems for use by the Title V urban Indian health programs.
2. To provide advice to and consult with Title V urban Indian health programs to develop a plan to address the needs of urban programs.
3. To maintain relationship with and document support of the Title V urban Indian health programs.

Justification for Single Source

This project has been awarded on a non-competitive single source basis. AIHCA is the only nationwide Indian organization which is specifically established to address the health needs of American Indians living in urban areas. Furthermore, it is the only
