

as to the number of days that may be used in any one year.

As indicated earlier, Margate and Chestnut are requesting an extension of the subsidizable lives of their vessels so that these vessels would remain eligible to operate with ODS under the extended contracts or new contracts as the case may be. According to the applicants, the effect of extending the lives of these vessels will enable Chestnut and Margate to utilize the unused subsidy days. The applicants advise that such an extension of the lives of the vessels will not give advantage or be prejudicial as between U.S. citizens operating in the trade, since there would be no increase in vessels or change in service, and the service will not be in addition to existing service; accordingly, section 605(c) is not a bar to the request.

This application may be inspected in the Office of the Secretary, Maritime Administration. Any person, firm or corporation having any interest in such request and desiring to submit comments concerning the application must file written comments in triplicate with the Secretary, Maritime Administration, Room 7210, Nassif Building, 400 Seventh Street SW., Washington D.C. 20590. Comments must be received no later than 5:00 p.m. on December 13, 1995. The Maritime Subsidy Board will consider any comments submitted and take such action with respect thereto as may be deemed appropriate.

Background

On October 21, 1995, President Clinton signed Executive Order 12978, "Blocking Assets and Prohibiting Transactions with Significant Narcotics Traffickers" (the "Order").

The Order blocks all property subject to U.S. jurisdiction in which there is any interest of four principal figures in the Cali drug cartel who are listed in the annex to the Order. In addition, the Order blocks the property and interests in property of foreign persons determined by the Secretary of the Treasury, in consultation with the Attorney General and the Secretary of State, (a) to play a significant role in international narcotics trafficking centered in Columbia, or (b) to materially assist in or provide financial or technological support for, or goods or services in support of, persons designated in or pursuant to the Order. In addition, the Order blocks all property and interests in property subject to U.S. jurisdiction of persons determined by the Secretary of the Treasury, in consultation with the Attorney General and the Secretary of State, to be owned or controlled by, or to act for or on behalf of, persons designated in or pursuant to the Order (collectively "Specially Designated Narcotics Traffickers" or "SDNTs"). On October 24, 1995, 76 additional names were published in the Federal Register that were determined to meet one or

more of these criteria (60 FR 54582, October 24, 1995).

The Order further prohibits any transaction or dealing by a United States person or within the United States in property or interests in property of SDNTs, and any transaction that evades or avoids, has the purpose of evading or avoiding, or attempts to violate, the prohibitions contained in the Order.

This notice adds the names of three additional individuals and one entity designated pursuant to the criteria contained in the Order. The notice also contains additional information concerning two individuals previously designated, and corrects information on one individual previously designated.

Designations of foreign persons blocked pursuant to the Order are effective upon the date of determination by the Director of the Office of Foreign Assets Control, acting under authority delegated by the Secretary of the Treasury. Public notice of blocking is effective upon the date of filing with the Federal Register, or upon prior actual notice.
