Office of Fossil Energy

National Coal Council; Renewal

Pursuant to Section 14(a)(2)(A) of the Federal Advisory Committee Act and in accordance with title 41 of the Code of Federal Regulations, section 101-6.1007 and following consultation with the Committee Management Secretariat of the General Services Administration, notice is hereby given that the National Coal Council has been renewed for a two-year period ending November 23, 1997. The Council will continue to provide advice, information, and recommendations to the Secretary of Energy, on a continuing basis, regarding general policy matters relating to coal issues.

Council members are chosen to assure a well balanced representation from all sections of the country, all segments of the coal industry, including large and small companies, and commercial and residential consumers. The Council also has members who represent interests outside the coal industry, including environmental interests, labor, research, academia, and minorities. Membership and representation of all interests will continue to be determined in accordance with the requirements of the Federal Advisory Committee Act, section 624(b) of the Department of Energy Organization Act (Public Law 95-91), and implementing regulations.

The renewal of the Council has been determined essential to the conduct of the Department's business and in the public interest in connection with the performance of duties imposed upon the Department of Energy by law. The Council will continue to operate in accordance with the provisions of the Federal Advisory Committee Act (Public Law 92-463), the Department of Energy Organization Act (Public Law 95-91), and the implementing regulations.

Further information regarding this advisory committee may be obtained from Rachel M. Samuel at (202) 586-3279.

Issued at Washington, D.C. on November 22, 1995.

JoAnne Whitman,

Deputy Advisory Committee Management Officer.
