FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collections Being Reviewed by the Federal Communications Commission, Comments Requested

November 22, 1995.

SUMMARY: The Federal Communications, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of

automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before February 2, 1996. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESS: Direct all comments to Dorothy Conway, Federal Communications, Room 234, 1919 M St. NW., Washington, DC 20554 or via internet to dconway@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Dorothy Conway at 202-418-0217 or via internet at dconway@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0444.

Title: Station Construction/Operational Status Inquiry.

Form No.: FCC 800A.

Type of Review: Revision of a currently approved collection.

Respondents: Businesses or other for-profit; Small businesses or organizations; Individuals or households.

Number of Respondents: 11,500.

Estimated Time Per Response: 1 hour.

Total Annual Burden: 11,500 hours.

Needs and Uses: The Commission requests this collection of information as a method for licensees to provide information to verify a station has been placed into operation and to notify the Commission of the actual number of mobile units placed in operation after license grant. From this data, the Commission is able to determine full capacity channel loading, making frequencies available for assignment and modifying or cancelling licenses. The data collected ensures licensees are not authorized for more mobiles than they are actually using. The data collected is required by the Communications Act and FCC Rules 90.155, 90.313, 90.495, 90.496, 90.631, 90.633, 90.651, 90.725 and 90.737. The entities identified in the current 800A letter, such as trunked, conventional, etc., have been re-named as CMRS and PMRS. The current 800A letter requests a breakdown in the types of mobiles and control stations, while the proposed 800A letter asks for a total number of mobiles and the number of parties affiliated with, controlled by, or related to the provider. The number of responses and estimated burden remains unchanged.

FEDERAL RESERVE SYSTEM

Caisse Nationale de Credit Agricole, S.A.; Notice of Proposal to Engage de novo in Permissible Nonbanking Activities

The company listed in this notice has given notice under § 225.23(a)(1) of the Board's Regulation Y (12 CFR 225.23(a)(1)) for the Board's approval under section 4(c)(8) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8)) and § 225.21(a) of Regulation Y (12 CFR 225.21(a)) to commence or to engage *de novo*, either directly or through a subsidiary, in a nonbanking activity that is listed in § 225.25 of Regulation Y as closely related to banking and permissible for bank holding companies. Unless otherwise noted, such activities will be conducted throughout the United States.

The notice is available for immediate inspection at the Federal Reserve Bank indicated. Once the notice has been accepted for processing, it will also be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the question whether commencement of the activity can "reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, or unsound banking practices." Any request for a hearing on this question must be accompanied by a statement of the reasons a written

presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal.

Comments regarding the application must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than December 18, 1995.

A. Federal Reserve Bank of Chicago (James A. Bluemle, Vice President) 230 South LaSalle Street, Chicago, Illinois 60690:
