On October 27, 1994, the Deputy Assistant Administrator (formerly Director), Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Michael J. Roth, M.D. (Respondent), of Santa Monica, California, notifying him of an opportunity to show cause as to why DEA should not revoke his DEA Certificate of Registration, AR8354425, under 21 U.S.C. 824(a)(4) and deny any pending applications under 823(f), as being inconsistent with the public interest. Specifically, the Order to Show Cause alleged that:

(1) During the period March 1988 through December 1989, the Respondent prescribed, administered, and dispensed excessive amounts of controlled substances to a single patient, including Demerol, Dilaudid, Xanax, Ativan, Percordan, Tylenol with Codeine, Valium, Percocet, Methodone, and Doriden, without a legitimate medical purpose and while not acting in the usual course of professional practice;

(2) During the same time period, the Respondent further prescribed narcotic drugs to the same narcotic dependent patient for the purpose of maintenance treatment, and engaged in detoxification treatment of that patient without holding a separate DEA registration to conduct a narcotic treatment program; and

(3) During the period January 1991 through February 1993, the Respondent prescribed excessive amounts of controlled substances to two patients, including Chloral Hydrate, Ativan, Dalmane, Tylenol with Codeine, and Fiorinal, without a legitimate medical purpose and while not acting in the usual course of professional practice.

On November 19, 1993, the Respondent, through counsel, filed a timely request for a hearing. On February 23, 1994, the case was consolidated for hearing with *Michael S. Gottlieb, M.D.*, Docket No. 93-53, and *William J. Skinner, M.D.*, Docket No. 93-39. Following prehearing procedures, a hearing was held in Los Angeles, California, on March 29-30 and May 10-12, 1994, before Administrative Law Judge Paul A. Tenney. At the hearing both the Government and the Respondent called witnesses to testify and introduced documentary evidence, and after the hearing, counsel for both sides submitted proposed findings of fact, conclusions of law and argument.
