ACTION: Notice.

SUMMARY: As part of its continuing effort to reduce paperwork and respondent burden, the Office of General Counsel (OGC) invites the general public and other Federal agencies to comment on this information collection. This request for comment is being made pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13; 44 U.S.C. 3506(c)(2)(A)). Comments should address the accuracy of the burden estimates and ways to minimize the burden including the use of automated collection techniques or the use of other forms of information technology, as well as other relevant aspects of the information collection.

DATES: Written comments and recommendations on the proposal for the collection of information should be received by no later than February 9, 1996.

approval. In this document OGC is soliciting comments concerning the following information collection:

OMB Control Number: 2900-0018.

Title and Form Number: Application for Accreditation as Service Organization Representative, VA Form 21; and Appointment of Attorney or Agent as Claimant's Representative, VA Form 22a.

Type of Review: Reinstatement, without change, of a previously approved collection for which approval has expired.

Need and Uses: The forms are used to appoint a service organization, attorney or agent as a representative in claims for VA benefits.

Current Circumstances: VA Form 21 will be evaluated by Office of General Counsel to determine qualification for accreditation and the need for cautionary instructions concerning conflict of interest. Applicants meeting the regulatory standards are issued an ID card allowing them access to VA files of claimants who have designated the service organization with which they are affiliated as claims representative and are issued a letter setting forth their responsibilities. Those denied accreditation, and their organizations, are informed of the reason for the denial. If the information were not collected, VA would have no way of evaluating applicants for accreditation under the requirements of 38 CFR 14.629.

VA Form 22a will be reviewed by VA's Veterans Benefits Administration. The information on the form will be used to ascertain the identity of the representative appointed by the claimant to represent him or her and the scope of the representative's authority to inspect records. This information is necessary for determining whether access to claimant records may be provided and for notification purposes. If the information were not collected, VA could not recognize the representative as the attorney or agent of the claimant under applicable statutes and regulations and could not provide access to claimant records.

Affected Public: Individuals and households, Not-for-profit institutions and State, Local or Tribal Government.

Estimated Annual Burden: 1,650 hours.

Estimated Average Burden Per Respondent: 15 minutes.
