**Mapa Pioneer, et al., Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) as amended by the Omnibus Trade and Competitiveness Act of 1988 (P.L. 100-418), the Department of Labor herein presents the results of an investigation regarding certification of eligibility to apply for worker adjustment assistance.

In order to make an affirmative determination and issue a certification of eligibility to apply for adjustment assistance each of the group eligibility requirements of Section 222 of the Act must be met. It is determined in this case that all of the requirements have been met.

The investigation was initiated in response to a petition received on October 23, 1995 and filed on behalf of workers at Mapa Pioneer in Willard and Attica Ohio. The workers produce nitrile and neoprene gloves.

The investigation revealed that Mapa Pioneer made a decision in 1995 to transfer its neoprene glove production from its domestic plants to an affiliate in France. In addition, the transfer will result in the closing of the Attica, Ohio facility at the end of 1995.

**Conclusion**

After careful review of the facts obtained in the investigation, I conclude that increases of imports of articles like or directly competitive with nitrile and neoprene gloves produced at Mapa Pioneer in Willard and Attica, Ohio contributed importantly to the decline in sales or production and to the total or partial separation of workers of that firm. In accordance with the provisions of the Act, I make the following certification:

"All workers of Mapa Pioneer in Willard and Attica, Ohio who became totally or partially separated from employment on or after October 10, 1994 through two years from the date of certification are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed in Washington, D.C. this 14th day of November 1995.

**Sun Apparel, Incorporated El Paso, TX; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on April 18, 1995, applicable to all workers of Sun Apparel, Concepcion Plant, El Paso, Texas. The notice was published in the Federal Register on April 27, 1995 (60, FR 20764).

The State Agency requested that the Department review the subject certification. New findings show that worker separations have occurred at the Sun Apparel's Armour Plant in El Paso. The workers at the Armour Plant, like the Concepcion Plant, are engaged in employment related to the production of jeans. The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports.

Therefore, the Department is amending the certification to expand coverage to all workers of Sun Apparel in El Paso, not just workers at the Concepcion Plant.

The amended notice applicable to TA-W-30,930 is hereby issued as follows:

All workers of Sun Apparel, Incorporated, El Paso, Texas who became totally or partially separated from employment on or after April 3, 1994 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 29th day of November 1995.
