SUPPLEMENTARY INFORMATION: ONDCP hereby announces its policies and application procedures for funds available under Public Law 102-393 to state and local drug control entities for drug control activities consistent with the approved strategy for each HIDTA.

Eligible Applicants

Public Law 100-690, Nov. 18, 1988, authorized the Director of ONDCP to designate areas meeting certain criteria as HIDTAs. Houston, Los Angeles, Miami, New York and the Southwest Border were so designated as part of the 1990 National Drug Control Strategy. In 1994 Washington/Baltimore and Puerto Rico/Virgin Islands were also designated. Chicago, Atlanta and Philadelphia/Camden were designated Empowerment HIDTAs in 1995. Federal, State and local law enforcement agencies located within the specific geographical areas outlined in the National Drug Control Strategy are eligible to apply for funds under this notice.

Program Objective

The goal of the HIDTA program is to reduce drug trafficking. The primary objective is to severely disrupt and dismantle drug and money laundering organizations operating in and through the HIDTAs. In concert with Federally led HIDTA initiatives, State and local proposals focus on joint local, State and Federal law enforcement efforts that target major drug organizations that support the international organizations and cartels. Funds must be used strictly for implementing an approved joint HIDTA strategy. The funds cannot be used to supplant existing support for ongoing State or local drug control operations, which should be funded out of the agencies' normal operating budgets.

Available Funds

At least \$55.0 million is available for State and local participation in the HIDTAs.

Application Procedures

Each applicant must submit a written joint proposal and cooperative agreement application to the HIDTA Director in the respective HIDTA. A majority, if not all, of the transfers may be in the form of cooperative agreements. The proposals must include a written statement of the purpose, scope and measurable objective of the initiative; a narrative of the implementation plan; administrative

data including the name and address of the official authorized to enter into the cooperative agreement between the agency and the U.S. Government; a proposed detailed budget outlining how the funds will be spent; and internal controls which will ensure the funds are spent for stated purposes. The proposals and applications are first submitted to and reviewed by the area Executive Committee in the HIDTA and, upon approval, forwarded for review by National HIDTA Committee which includes representatives of ONDCP, the Departments of Justice, Treasury, and Health and Human Services. Next, they are submitted to the Director of ONDCP for review, final approval, and transfer of funds. The applicant may be required to submit additional information deemed necessary prior to approval of the cooperative agreement.

Funding Mechanism and Restrictions

Upon receipt and approval of the application, the applicant and the government will execute cooperative agreements specifying the mechanism for receipt of funds and the conditions attendant to initial and continued receipt of the funds. The applicant will be expected to comply with the following conditions prior to the expenditure of any of the funds: all travel funded must be in accordance with the published U.S. Government travel regulations; all pertinent information regarding the cooperative agreement must be made available to the public; applicable civil rights and anti-discrimination statutes must be adhered to; accounting systems and records shall be such that the Comptroller General of the United States shall be able to audit the uses of the funds. Other conditions regarding expenditures of the funds and applicant performance shall be specified in the terms and conditions of the cooperative agreement that must be executed before any funds may be received.

For any expenditure incurred prior to execution of the cooperative agreement, detailed transaction records must be submitted along with evidence supporting that the expenditures were for the purposes stated in the legislation. The ONDCP/HIDTA Director will have to approve reimbursement for these expenditures before they can be considered eligible grant costs.

Lee P. Brown,

Director.

OFFICE OF PERSONNEL MANAGEMENT

Federal Prevailing Rate Advisory Committee, Open Committee Meeting

According to the provisions of section 10 of the Federal Advisory Committee Act (Pub. L. 92-463), notice is hereby given that meetings of the Federal Prevailing Rate Advisory Committee will be held on—

Thursday, January 4, 1996

Thursday, January 18, 1996

Thursday, February 8, 1996

Thursday, February 22, 1996

The meetings will start at 10:45 a.m. and will be held in Room 5A06A, Office of Personnel Management Building, 1900 E Street, NW., Washington, DC.

The Federal Prevailing Rate Advisory Committee is composed of a Chairman, five representatives from labor unions holding exclusive bargaining rights for Federal blue-collar employees, and five representatives from Federal agencies. Entitlement to membership on the Committee is provided for in 5 U.S.C. 5347.

The Committee's primary responsibility is to review the Prevailing Rate System and other matters pertinent to establishing prevailing rates under subchapter IV, chapter 53, 5 U.S.C., as amended, and from time to time advise the Office of Personnel Management.

These scheduled meetings will start in open session with both labor and management representatives attending. During the meeting either the labor members or the management members may caucus separately with the Chairman to devise strategy and formulate positions. Premature disclosure of the matters discussed in these caucuses would unacceptably impair the ability of the Committee to reach a consensus on the matters being considered and would disrupt substantially the disposition of its business. Therefore, these caucuses will be closed to the public because of a determination made by the Director of the Office of Personnel Management under the provisions of section 10(d) of the Federal Advisory Committee Act (Pub. L. 92-463) and 5 U.S.C. 552b(c)(9)(B). These caucuses may, depending on the issues involved, constitute a substantial portion of the meeting.

Annually, the Committee publishes for the Office of Personnel Management, the President, and Congress a comprehensive report of pay issues discussed, concluded recommendations, and related activities. These reports are available to the public, upon written request to the Committee's Secretary.

The public is invited to submit material in writing to the Chairman on Federal Wage System pay matters felt to be deserving of the Committee's attention. Additional information on these meetings may be obtained by contacting the Committee's Secretary, Office of Personnel Management, Federal Prevailing Rate Advisory Committee, Room 5559 1900 E Street, NW., Washington, DC 20415 (202) 606-1500.

Dated: December 5, 1995.

Anthony F. Ingrassia,

*Chairman Federal Prevailing Rate Advisory
Committee.*
