

obligations have been terminated and Northern no longer requires any gas supplies from the production areas accessed by the Reeves and Ward County Facilities to fulfill its customer obligations.

A notice of the deletion of receipt and delivery points of the Reeves and Ward County Facilities will be posted on Northern's EBB, consistent with Northern's practice.

Copies of the filing were served upon the company's customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to section 154.210 of the Commission's Regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. All protest will be considered by the Commission in determining the appropriate action to be taken in this proceeding, but will not serve to make protestant a party to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for inspection.

**[Docket No. RP96-68-000]**

**Northern Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff**

December 6, 1995.

Take notice that on December 1, 1995, Northern Natural Gas Company (Northern), tendered for filing changes in its FERC Gas Tariff, Fifth Revised Volume No. 1.

Northern states that the filing revises the current Stranded Account No. 858 and Stranded Account No. 858-Reverse Auction surcharges, which are designed to recover costs incurred by Northern related to its contracts with third-party pipelines. Therefore, Northern has filed 6th Rev Seventeenth Revised Sheet Nos. 50 and 51 and Twenty-Fifth Rev Sheet No. 53 to revise these surcharges effective January 1, 1996.

Northern states that copies of this filing were served upon the Company's customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to Section 154.210 of the Commission's Regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. All protests will be considered by the Commission in determining the appropriate action to be taken in this proceeding, but will not serve to make protestant a party to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for inspection.

BILLING CODE 6717-01-M

**[Docket No. RP96-54-000]**

**Northern Natural Gas Company; Notice of Compliance Filing**

December 6, 1995.

Take notice that on November 30, 1995, Northern Natural Gas Company (Northern), tendered for filing, under Section 4 of the Natural Gas Act (NGA), notice of termination of gathering services. Northern states that on November 29, 1995, an Order Authorizing Abandonment and Determining Jurisdictional Status of Facilities (Order) was issued by the Commission in the above-referenced Docket Numbers authorizing Northern Natural Gas Company (Northern) to abandon certain pipeline, compression, dehydrating and delivery point gathering facilities, with appurtenances, located in various counties in Texas, Oklahoma, Kansas, Wyoming and Colorado (Facilities), by sale to its affiliates Enron Anadarko Gathering Corp., Enron Gathering Limited Partnership, Enron Permian Gathering Inc. and Enron Mountain Gathering Inc. (collectively referred to as "Enron Gathering Companies").

Northern states that this filing is being made in compliance with the Order.

Northern states the reason for the termination is the abandonment of the Facilities by sale to the Enron Gathering Companies. As a result of restructuring under Order No. 636, Northern's merchant services obligations have been terminated and Northern no longer requires any gas supplies from the

Anadarko, Hugoton, Permian or Rocky Mountain production areas accessed by the Facilities to fulfill its customer obligations.

Northern states that a notice of this termination has been posted on Northern's EBB, consistent with Northern's practice. In addition, contemporaneous with this filing, written notice of the termination is being provided to each applicable individual gathering shipper.

Northern also states that copies of the filing were served upon the company's customers and interested State Commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with §§ 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to § 154.210 of the Commission's regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. All protests will be considered by the Commission in determining the appropriate action to be taken in this proceeding, but will not serve to make Protestant a party to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for inspection.
