Change in Solicitation Procedures Under the Small Business Competitiveness Demonstration Program

AGENCY: Office of Acquisition Policy, GSA.

ACTION: Notice.

SUMMARY: Title VII of the "Business Opportunity Development Reform Act of 1988" (Public Law 100-656) established the Small Business Competitiveness Demonstration Program and designated nine (9) agencies, including GSA, to conduct the program over a four (4) year period from January 1, 1989 to December 31, 1992. The law designated four (4) industry groups for testing whether the competitive capabilities of the specified industry groups will enable them to successfully compete on an unrestricted basis. Under the program, when a participating agency misses its small business participation goal, restricted competition is reinstated only for those contracting activities that failed to attain the goal. The small business goal is 40 percent of the total contract dollars awarded for construction, trash/garbage collection services, and non-nuclear ship repair and 35 percent of the total
