SUPPLEMENTARY INFORMATION:

I. Background

As part of the settlement in the case of NAACP v. Secretary of Labor (Civil Action No. 2010-72, U.S.D.C.), the U.S. Department of Labor (DOL) negotiated with the plaintiffs a series of regulations published June 10, 1980. Employment and Training Administration (ETA) regulations at 20 CFR 651, 653, and 658 under the Wagner-Peyser Act as amended by the Job Training Partnership Act, set forth the role and responsibilities of the United States Employment Services (USES) and the State Employment Services Agencies (SESA) regarding compliance of said regulations.

In compliance with 20 CFR 653.109, DOL established recordkeeping requirements to allow for the efficient and effective monitoring of SESAs regulatory compliance.

The ETA Form 8429, Employment Service Complaint Referral Record, is used to collect and document all individual complaints filed under the ES complaint system.

The ETA Form 5148 Services to Migrant and Seasonal Farmworkers Report, is used to collect data which are primarily used to monitor and to measure the extent and effectiveness of ES services to MSFWS as a high priority target group for ES services.

I. Background

The Migrant and Seasonal Farmworker regulations at 20 CFR 653.500 establish procedures for agricultural clearance activity. Federal regulations at 20 CFR 653.501 (f) (1) require all local offices to use the

interstate clearance forms, as prescribed by ETA.

Local and State Employment offices use the Agricultural and Food Processing Clearance Order to extend job orders beyond their jurisdictions. Applicant holding local offices use the Agricultural Clearance Memorandum to give notice of action on a clearance order, request additional information, report results, and to accept or reject the extended job order. State agencies use the Migrant Worker Itinerary to transmit employment and supportive service information to labor-demand areas, and to assist migrant workers in obtaining employment.
