AGENCY: Employment and Training Administration, Labor.

opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. I. Background

The Migrant and Seasonal Farmworker regulations at 20 CFR 653.500 establish procedures for agricultural clearance activity. Federal regulations at 20 CFR 653.501 (f) (1) require all local offices to use the

interstate clearance forms, as prescribed by ETA.

Local and State Employment offices use the Agricultural and Food Processing Clearance Order to extend job orders beyond their jurisdictions. Applicant holding local offices use the Agricultural Clearance Memorandum to give notice of action on a clearance order, request additional information, report results, and to accept or reject the extended job order. State agencies use the Migrant Worker Itinerary to transmit employment and supportive service information to labor-demand areas, and to assist migrant workers in obtaining employment. The Job Service Manifest Record shows names, addresses, and characteristics of all people named on the Migrant Worker Itinerary.

SUPPLEMENTARY INFORMATION:

I. Background

37 CFR 251.11(b) provides that:

At the beginning of each proceeding, the CARP shall develop the original schedule of the proceeding which shall be published in the Federal Register at least seven calendar days in advance of the first meeting. Such announcement shall state the times, dates, and places of the meetings, the testimony to be heard, whether any of the meetings, or any portion of a meeting, is to be closed, and if so, which ones, and the name and telephone number of the person to contact for further information.

This notice fulfills the requirements of § 251.11(b) for the proceeding for the distribution of cable compulsory license royalties for the years 1990-92.

On December 15, 1994, the Copyright Office published a notice in the Federal

Register requesting comment as to the existence of controversies to the distribution of the 1990 cable royalty fund. 59 FR 64714 (December 15, 1994). In response to this notice, copyright owners identified the existence of controversies for distribution of the 1990 fund, as well as the 1991 and 1992 funds. The copyright owners requested that the Office consolidate the 1990-92 funds into a single distribution proceeding.

On March 21, 1995, the Office published a notice consolidating the 1990-92 cable royalty distribution proceedings into a single proceeding, and announced the precontroversy discovery schedule. 60 FR 14971 (March 21, 1995). The Office also announced in that notice that controversies to the 1990-92 would be declared, and arbitration initiated, on November 17, 1995. 60 FR 14975. The parties, however, filed a motion with the Office on November 8, 1995, requesting a deferment of the commencement date until December 29, 1995. In response to this motion, the Copyright Office issued an Order which set December 4, 1995, as the new initiation date. Order, dated November 13, 1995.

On November 28, 1995, the Office announced the initiation of the 180 day arbitration period, pursuant to 37 CFR 251.72; the names of the arbitrators who will preside at the 1990-92 cable distribution proceeding; a delay of the initiation of the proceedings until December 4, 1995; and the date, time and place of the initial meeting of the proceeding. 60 FR 58680 (November 28, 1995).

This notice announces the present schedule for the entire proceeding.

II. The Schedule for the Cable Distribution Proceeding

The parties to this proceeding jointly proposed a preliminary schedule for the upcoming hearings to the Copyright Office on November 17, 1995. The Copyright Office, in turn, passed the proposed schedule to the arbitrators for their comments and approval. In response to a request from the arbitrators, the Joint Sports Claimants agreed to shorten their direct case, and rescheduled two of their witnesses for the rebuttal phase of the proceeding. Likewise, the National Association of Broadcasters agreed to conclude their case no later than December 20, 1995. Further refinements to the proposed schedule were made at the meeting on December 4, 1995. This schedule was finalized in an Order issued by the CARP panel. See CARP Order, dated December 8, 1995.
