

CP82-430-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Koch Gateway states that the proposed certification of facilities will enable it to provide transportation under its blanket transportation certificate through an existing delivery tap serving Entex, Inc. a local distribution company, in Polk County, Texas.

Koch Gateway asserts that it will operate the delivery tap in compliance with 18 CFR Part 157, Subpart F and that it has sufficient capacity to render the proposed service without detriment or disadvantage to its other existing customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

**Michigan Gas Storage Company;
Notice of Request Under Blanket
Authorization**

December 11, 1995.

Take notice that on December 4, 1995, Michigan Gas Storage Company (MGSCo), 212 West Michigan Avenue, Jackson, Michigan 49201, filed a prior notice request with the Commission in Docket No. CP96-96-000 pursuant to § 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to abandon by sale to Consumers Power Company (Consumers) approximately 18 miles of 8-inch diameter pipe, under MGSCo's blanket certificate issued in Docket No. CP84-451-000 pursuant to Section 7 of the NGA, all as more fully set forth in

the request which is open to the public for inspection.

MGSCo proposes to abandon by sale approximately 18 miles of 8-inch diameter pipe (Line 200) in Isabella and Midland Counties, Michigan. MGSCo would sell all of the properties, rights-of-way, and facilities associated with the above described pipeline to Consumers at the net book value of \$1,500. MGSCo also states that it would continue to serve Consumers in the area via the Mt. Pleasant Station and the Midland City Gate, which would relieve MGSCo of the obligation to operate and maintain the pipeline facilities without a reduction in service to Consumers. MGSCo further states that Consumers would also have the flexibility to use the pipeline facilities as a high pressure line or as a low pressure distribution line for serving customers in the developing bi-county area.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.

[Docket No. CP96-99-000]

**Natural Gas Pipeline Company of
America; Notice of Application**

December 11, 1995.

Take notice that on December 6, 1995, Natural Gas Pipeline Company of America (Natural), 701 East 22nd Street, Lombard, Illinois 60148, filed in Docket No. CP96-99-000, an application pursuant to Section 7(b) of the Natural Gas Act (NGA) and the Federal Energy Regulatory Commission's (Commission) Regulations thereunder, requesting authority to abandon by sale to High Plains Gathering System, LLC ("High Plains"), a non-affiliate, certain certificated facilities that, along with certain other non-certificated facilities, comprise the High Plains system of

Natural, currently owned and operated by it in Eastern Colorado (the "System").

Natural states that, if the abandonment authorization sought herein is granted, Natural will be requesting, in a subsequent NGA Section 4 filing, to terminate the services which it has performed by means of the System. All of the System will be sold to High Plains for \$750,000 dollars. Natural is requesting the prompt issuance of an order granting the abandonment sought herein so that Natural may be relieved of certain gas purchase obligations that are being assigned to High Plains in connection with the sale of these facilities.

Any person desiring to be heard or to make any protest with reference to said application should on or before January 2, 1996, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceedings. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Natural to appear or be represented at the hearing.

Lois D. Cashell,

Secretary.
