

performance of health studies or related health or environmental duties pursuant to their contracts, grants, and cooperating or collaborating research agreements. In order to perform such studies, the Department, its contractors, grantees, participants in cooperative agreements, and collaborating researchers may disclose a record: To Federal, State, and local health and medical agencies or authorities; to subcontractors in order to determine a subject's vital status or cause of death; to health care providers to verify a diagnosis or cause of death; or to third parties to obtain current addresses for participants in health-related studies, surveys and surveillances. All recipients of such records are required to comply with the Privacy Act, to follow prescribed measures to protect personal privacy, and to disclose or use personally identifiable information only for the above described research purposes. Records that may reflect adversely upon individuals, such as records concerning disciplinary actions, reprimands, admonitions, adverse actions, performance appraisals, security infraction notices, supervisor-employee discussions, and similar matters, will not be made available for the proposed new routine uses.

13. Discrete portions of payroll and pay related data reflecting employment history, date of birth, job titles, job descriptions, attendance, accidents, illnesses, medical conditions, exposure to toxic agents, and similar matters, may be disclosed to members of Department advisory committees, the Department of Health and Human Services Advisory Committee on Projects Related to Department of Energy Facilities, and to designated employees of Federal, State, or local government, or government-sponsored entities, authorized to provide advice to the Department concerning health, safety, or environmental issues. All recipients of such records are required to comply with the Privacy Act, to follow prescribed measures to protect personal privacy, and to disclose or use personally identifiable information only for the purpose of providing advice to the Department or to the Department of Health and Human Services. Records that may reflect adversely upon individuals, such as records concerning disciplinary actions, reprimands, admonitions, adverse actions, performance appraisals, security infraction notices, supervisor-employee discussions, and similar matters, will not be made available for the proposed new routine uses.

Federal Energy Regulatory Commission

[Docket No. EC96-5-000]

Old Dominion Electric Cooperative; Notice of Application

December 11, 1995.

Take notice that on December 11, 1995, Old Dominion Electric Cooperative ("Old Dominion" or "Applicant") filed an application seeking an order under Section 203 of the Federal Power Act authorizing Old Dominion to enter a lease and leaseback transaction that includes its 50% undivided interest in certain jurisdictional transmission facilities related to Unit 1 at the Clover Power Station located in Halifax County, Virginia.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before December 22, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Lois D. Cashell,
Secretary.
