**East Tennessee Natural Gas Company; Notice of Request Under Blanket Authorization**

December 12, 1995.

Take notice that on December 4, 1995, East Tennessee Natural Gas Company (East Tennessee), Post Office Box 2511, Houston, Texas 77252, filed a request with the Commission in Docket No. CP96-94-000 pursuant to Sections 157.205, 157.212 and 157.216(b) of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to establish a bi-directional point and to abandon certain facilities, authorized in blanket certificate issued in CP82-412-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

At the request of Citizens Gas Utility (Citizens), East Tennessee proposes to modify an existing receipt meter station on its system to establish a bi-directional point for both receipts from and deliveries to Citizens to accommodate a gas storage facility operated by Citizens. To accomplish this, East Tennessee proposes to convert their existing station (#75-9123 "Citizens Gas") by abandoning the receipt meter and removing it. East Tennessee would then install the requested bi-directional meter (#75-9012 "Morgan County No. 1") by installing two 4-inch meter tubes in parallel to the existing tube. East Tennessee states that they would continue to own, operate, and maintain the existing side valve measurement. The meter station would be located on the existing site provided by Citizens adjacent to the right-of-way.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the

NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.
