### U.S. Power & Light, Inc.; Notice of Issuance of Order

December 12, 1995.

On October 17, 1995, U.S. Power & Light, Inc. (U.S. Power & Light) submitted for filing a rate schedule under which U.S. Power & Light will engage in wholesale electric power and energy transactions as a marketer. U.S. Power & Light also requested waiver of various Commission regulations. In particular, U.S. Power & Light requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by U.S. Power & Light.

On December 6, 1995, pursuant to delegated authority, the Director, Division of Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by U.S. Power & Light should file a motion of intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, U.S. Power & Light is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably

necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of U.S. Power and Light's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is January 5, 1996.

Copies of the full text of the order are available from the Commission's Public Reference Branch, 888 First Street, N.E., Washington, D.C. 20426.

### FEDERAL COMMUNICATIONS COMMISSION

#### Notice of Public Information Collections Being Reviewed by FCC for Extension Under Delegated Authority 5 CFR 1320 Authority, Comments Requested

December 11, 1995.

**SUMMARY:** The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commissions burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. The FCC is reviewing the following information collection requirements for possible 3-year extension under delegated authority 5 CFR 1320, authority delegated to the Commission by the Office of Management and Budget (OMB).

**DATES:** Written comments should be submitted on or before February 16, 1996. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all comments to Dorothy Conway, Federal Communications, Room 234, 1919 M St., NW., Washington, DC 20554 or via internet to [dconway@fcc.gov](mailto:dconway@fcc.gov).

#### SUPPLEMENTARY INFORMATION:

*OMB Approval Number:* 3060-0171.

*Title:* 73.1125 Station main studio location.

*Form No.:* N/A.

*Type of Review:* Extension of a currently approved collection.

*Respondents:* Business or other for-profit.

*Number of Respondents:*135.  
*Estimated Time Per Response:*30 minutes.

*Total Annual Burden:*68 hours.

*Needs and Uses:*Section 73.1125 requires AM, FM or TV licensees to locate their main studio at any point within the station's principal community contours. If the station relocates its main studio from one point to another within the principal community contour or from a point outside the principal community contour to one within it, the licensee is required to notify the FCC. The data is used by FCC staff to assure that the station main studio is located within the principal community contour and serves to notify use of a change in the mailing address.

*OMB Approval Number:*3060-0160.

*Title:*73.158 Directional Antenna Monitoring Points.

*Form No.:*N/A.

*Type of Review:*Business or other for-profit.

*Number of Respondents:*80.

*Estimated Time Per Response:*4 hours.

*Total Annual Burden:*320 hours.

*Needs and Uses:*Section 73.158 requires a licensee of an AM station using a directional antenna system to file an informal application to modify their station license to specify a new location for the field monitoring point when circumstances occur which make the present location no longer accessible or unsuitable. Section 73.158 also requires the licensee to file a request for a corrected station license when the descriptive routing to reach any of the monitoring points as shown on the station license is no longer correct due to road or building construction or other changes. These filings provide up-to-date directions for use by the Complaints and Investigations Bureau's inspectors in accurately locating the monitoring points and obtaining field strength measurements relevant to the Commission's enforcement program aimed at keeping electromagnetic interference to a minimum.

*OMB Approval Number:*3060-0321.

*Title:*73.68 Sampling Systems for Antenna Monitoring.

*Form No.:*N/A.

*Type of Review:*Extension of a currently approved collection.

*Respondents:*Business or other for-profit.

*Number of Respondents:*100.

*Estimated Time Per Response:*2 hours.

*Total Annual Burden:*200 hours.

*Needs and Uses:*Section 73.68(b) requires that licensees of existing AM broadcast stations with antenna monitor sampling systems, meeting the

performance standards specified in the rules, may file informal requests for approval of their sampling systems. Section 73.68(d) requires that a request for modification of the station license be submitted to the FCC when the antenna sampling system is modified or components of the sampling system are replaced. The informal request for approval of sampling systems is used by FCC staff to maintain complete technical information regarding licensees to insure that the sampling system is in full compliance with the Commission's Rules and will not cause interference to other facilities, thus reducing the service provided to the public. The request for modification of station license is used to issue a new station license.

*OMB Approval Number:*3060-0387.

*Title:*Field Disturbance Sensors, Authorization and On-Site Verification (Section 15.201(d)).

*Form No.:*N/A.

*Type of Review:*Extension of existing collection.

*Respondents:*Businesses or other for-profit; Small businesses or organizations.

*Number of Respondents:*200.

*Estimated Time Per Response:*18 hours.

*Total Annual Burden:*3,600 hours.

*Needs and Uses:* To monitor non-licensed field disturbance sensors operating in the low VHF television bands, equipment testing is required at each installation. Data is retained by the holder of the equipment authorization issued by the Commission, and made available only at the request of the Commission.
