As a result of our comparison of USP to FMV, we preliminarily determine that the following margins exist for the period August 18, 1993, through July 31, 1994:

**CERTAIN COLD-ROLLED CARBON STEEL FLAT PRODUCTS**

Producer/manufacturer/exporter	Weighted-average margin (percent)
Dongbu .....	6.07

Interested parties may request disclosure within 5 days of the date of publication of this notice and may request a hearing within 10 days of publication. Any hearing, if requested, will be held 44 days after the date of publication or the first business day thereafter. Case briefs and/or written comments from interested parties may be submitted no later than 30 days after the date of publication. Rebuttal briefs and rebuttals to written comments, limited to issues raised in those comments, may be filed not later than 37 days after the date of publication of this notice. The Department will publish the final results of this administrative review including the results of its analysis of issues raised in any such written comments or at a hearing.

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between the USP and FMV may vary from the percentages stated above.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided for by section 751(a)(1) of the Act. A cash deposit of estimated antidumping duties shall be required on shipments of certain cold-rolled carbon steel flat products from Korea as follows: (1) The cash deposit rates for the reviewed company will be the rate established in the final results of this review; (2) for previously investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review or the original less-than-fair-value ("LTFV") investigation, but the

manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this review, the cash deposit rate for this case will be 14.53 percent, which is the "all others" rate for the LTFV investigation. See *Final Determination of Sales at Less Than Fair Value: Certain Cold-Rolled Carbon Steel Flat Products from Korea*, 58 FR 37176 (July 9, 1993).

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR § 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and this notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR § 353.22.

**SUPPLEMENTARY INFORMATION:** The Department of Commerce (the Department) may revoke an antidumping duty order or finding or terminate a suspended investigation, pursuant to 19 CFR § 353.25(d)(4)(iii), if no interested party has requested an administrative review for four consecutive annual anniversary months and no domestic interested party objects to the revocation or requests an administrative review.

We had not received a request to conduct an administrative review for the most recent four consecutive annual anniversary months. Therefore, pursuant to § 353.25(d)(4)(i) of the Department's regulations, on November 1, 1995, we published in the Federal Register a notice of intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations and served written notice of the intent to each domestic interested party on the Department's service list in each case. Within the specified time frame, we received objections from domestic interested parties to our intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations. **Certain Cut-to-Length Carbon Steel Plate From Brazil; Termination of Countervailing Duty Administrative Review****AGENCY:** Import Administration, International Trade Administration, Department of Commerce.**ACTION:** Notice of Termination of Countervailing Duty Administrative Review.

**SUMMARY:** On September 15, 1995 (60 FR 47930), in response to a request from Companhia Siderurgica de Tubarao (CST), the Department of Commerce (the Department) initiated an administrative review of the countervailing duty order on certain cut-to-length carbon steel plate from Brazil for CST. In accordance with 19 CFR 355.22(a)(3)(1994), the Department is now terminating this review because CST has withdrawn its request for review.

**EFFECTIVE DATE:** December 19, 1995.

**FOR FURTHER INFORMATION CONTACT:** Brian Albright or Kelly Parkhill, Office of Countervailing Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C., 20230; telephone: (202) 482-2786.

**SUPPLEMENTARY INFORMATION:****Background**

On August 31, 1994, the Department received a request for an administrative review of this countervailing duty order from CST, a Brazilian exporter of the subject merchandise, for the period January 1, 1994, through December 31, 1994. Although an importer of the subject merchandise, Wirth Ltd., requested a review of the scope of this order on the same date, no interested party other than CST requested a review of the countervailing duty rate. On September 15, 1994, the Department published in the Federal Register (60

FR 47930) a notice of "Initiation of Countervailing Duty Administrative Review" initiating the administrative review of CST for that period. On November 13, 1995, CST withdrew its request for review.

Section 355.22(a)(3) of the Department's regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request not later than 90 days after the date of publication of the notice of initiation of the requested review. In this case, CST has withdrawn its request for review within the 90-day period. Further, no other interested party requested a review of the countervailing duty rate in this case, and we have received no submissions regarding CST's withdrawal of its request for review. Therefore, we are terminating the review of the countervailing duty order on certain cut-to-length carbon steel plate from Brazil for CST.

This notice is published in accordance with 19 CFR 355.22(a)(3).

Dated: December 11, 1995.

**Cotton Yarn From Peru; Termination of Countervailing Duty Administrative Review****AGENCY:** Import Administration, International Trade Administration, Department of Commerce.**ACTION:** Notice of termination of countervailing duty administrative review.

**SUMMARY:** On June 25, 1993, (58 FR 34414) the Department of Commerce (the Department) initiated an administrative review of the countervailing duty order on cotton yarn from Peru for the period January 1, 1992 through December 31, 1992. The Department has now decided to terminate this review.

**EFFECTIVE DATE:** December 19, 1995.

**FOR FURTHER INFORMATION CONTACT:** Gayle Longest or Kelly Parkhill, Office of Countervailing Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-2786.

**Background**

On February 25, 1993, the Department received a request for an administrative review of this countervailing duty order

from the American Yarn Spinners Association (AYSA) for the period January 1, 1992 to December 31, 1992. No other interested party requested an administrative review. On June 25, 1993 the Department published, in the Federal Register (58 FR 34414), a notice of "Initiation of Countervailing Duty Administrative Review." On December 1, 1995, AYSA withdrew its request for review.

Section 355.22(a)(3) of the Department's regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request not later than 90 days after the date of publication of the notice of initiation of the requested review. This regulation also provides that the Secretary may extend the time limit for withdrawal of a request if it is reasonable to do so.

Because no significant work has been completed on this review, the aforementioned request for withdrawal does not unduly burden the Department. Therefore, under the circumstances presented in this review, we are waiving the 90-day requirement in section 355.22(a)(3). Accordingly, we are terminating this review.

This notice is published in accordance with section 355.22(a)(3) of the Department's regulations.

Dated: December 11, 1995.
