Certain Cut-to-Length Carbon Steel Plate From Brazil; Termination of Countervailing Duty Administrative Review**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.**ACTION:** Notice of Termination of Countervailing Duty Administrative Review.

SUMMARY: On September 15, 1995 (60 FR 47930), in response to a request from Companhia Siderurgica de Tubarao (CST), the Department of Commerce (the Department) initiated an administrative review of the countervailing duty order on certain cut-to-length carbon steel plate from Brazil for CST. In accordance with 19 CFR 355.22(a)(3)(1994), the Department is now terminating this review because CST has withdrawn its request for review.

EFFECTIVE DATE: December 19, 1995.

FOR FURTHER INFORMATION CONTACT: Brian Albright or Kelly Parkhill, Office of Countervailing Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C., 20230; telephone: (202) 482-2786.

SUPPLEMENTARY INFORMATION:**Background**

On August 31, 1994, the Department received a request for an administrative review of this countervailing duty order from CST, a Brazilian exporter of the subject merchandise, for the period January 1, 1994, through December 31, 1994. Although an importer of the subject merchandise, Wirth Ltd., requested a review of the scope of this order on the same date, no interested party other than CST requested a review of the countervailing duty rate. On September 15, 1994, the Department published in the Federal Register (60

FR 47930) a notice of "Initiation of Countervailing Duty Administrative Review" initiating the administrative review of CST for that period. On November 13, 1995, CST withdrew its request for review.

Section 355.22(a)(3) of the Department's regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request not later than 90 days after the date of publication of the notice of initiation of the requested review. In this case, CST has withdrawn its request for review within the 90-day period. Further, no other interested party requested a review of the countervailing duty rate in this case, and we have received no submissions regarding CST's withdrawal of its request for review. Therefore, we are terminating the review of the countervailing duty order on certain cut-to-length carbon steel plate from Brazil for CST.

This notice is published in accordance with 19 CFR 355.22(a)(3).

Dated: December 11, 1995.

Joseph A. Spetrini,

Deputy Assistant Secretary for Compliance.

Cotton Yarn From Peru; Termination of Countervailing Duty Administrative Review**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.**ACTION:** Notice of termination of countervailing duty administrative review.

SUMMARY: On June 25, 1993, (58 FR 34414) the Department of Commerce (the Department) initiated an administrative review of the countervailing duty order on cotton yarn from Peru for the period January 1, 1992 through December 31, 1992. The Department has now decided to terminate this review.

EFFECTIVE DATE: December 19, 1995.

FOR FURTHER INFORMATION CONTACT: Gayle Longest or Kelly Parkhill, Office of Countervailing Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-2786.

Background

On February 25, 1993, the Department received a request for an administrative review of this countervailing duty order

from the American Yarn Spinners Association (AYSA) for the period January 1, 1992 to December 31, 1992. No other interested party requested an administrative review. On June 25, 1993 the Department published, in the Federal Register (58 FR 34414), a notice of "Initiation of Countervailing Duty Administrative Review." On December 1, 1995, AYSA withdrew its request for review.

Section 355.22(a)(3) of the Department's regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request not later than 90 days after the date of publication of the notice of initiation of the requested review. This regulation also provides that the Secretary may extend the time limit for withdrawal of a request if it is reasonable to do so.

Because no significant work has been completed on this review, the aforementioned request for withdrawal does not unduly burden the Department. Therefore, under the circumstances presented in this review, we are waiving the 90-day requirement in section 355.22(a)(3). Accordingly, we are terminating this review.

This notice is published in accordance with section 355.22(a)(3) of the Department's regulations.

Dated: December 11, 1995.

Joseph A. Spetrini,

Deputy Assistant Secretary for Compliance.
