SUPPLEMENTARY INFORMATION: On May 11, 1983, this public land was classified for public purposes pursuant to the Recreation and Public Purposes Act. The land was subsequently leased to Lyon County, Nevada for a public school site. The land was never developed as a school site and surrounding lands have been zoned for industrial use. The Lyon County School District is no longer interested in utilizing this land as a school site and the lease has been relinquished. The 40-acre parcel will be offered for sale directly to Wade/Fernley, L.P., the property owner of all adjoining lands. This sale is consistent with BLM policies and the Lahontan Resource Management Plan and is supported by Lyon County and the Town of Fernley, Nevada. The public interest will be served by offering this land for sale. The purpose of the sale is to dispose of a parcel of land which is difficult and uneconomical to manage as part of the public lands and which has potential for industrial development. No significant resource values will be affected by this transfer. The appraisal report, planning document, and environmental report covering the proposed sale are available for review at the BLM, Carson City District Office.

The sale will not result in a reduction of Animal Unit Months (AUMs) on BLM grazing permits.

For a period of 45 days after publication of this notice in the Federal Register, interested parties may submit comments to James M. Phillips, Lahontan Resource Area Manager, Bureau of Land Management, Carson City District Office.
