

**[Docket No. ER96-339-000]****Southern Company Services, Inc.;  
Notice of Filing**

December 18, 1995.

Take notice that on December 6, 1995, Southern Company Services, Inc., acting on behalf of Alabama Power Company, Georgia Power Company, Gulf Power Company, Mississippi Power Company and Savannah Electric and Power Company (Collectively refer Southern Companies), tendered for filing a supplement to its filing under section 205 of the Federal Power Act. The Supplemented Filing involves the Interchange Service Contract between Southern Companies and Koch Power Services, Inc. The Interchange Service Contract establishes the terms and conditions of power supply, including provisions relating to service conditions, control of system disturbances, metering and other matters related to the administration of the agreement.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before December 29, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

**[Docket No. OR96-2-000]****Texaco Refining and Marketing Inc. v. SFPP, L.P.; Notice of Complaint**

December 18, 1995.

Take notice that on December 1, 1995, Texaco Refining and Marketing Inc. (Texaco) filed a complaint pursuant to sections 8, 9, 13(1), and 15(1) of the Interstate Commerce Act (ICA) and Rule 206 of the Commission's Rules of Practice and Procedure against SFPP, L.P. (SFPP) in the above captioned docket.

The complaint alleges that SFPP has violated and continues to violate the

ICA, including but not limited to Sections 1(5)(a), 2, 3(1), 6 and 8 by transporting refined petroleum products in interstate commerce without having a tariff on file with the FERC, by charging an unjust and unreasonable rate for the transportation of refined petroleum products, by granting an undue discrimination and preference to other shippers, and by charging more than the maximum filed rate for transportation in interstate commerce from California origins to destinations in California and Arizona. Texaco requests that the Commission order such refunds as are deemed appropriate, and establish lawful rates, terms and conditions for the transportation of refined petroleum products in interstate commerce. Texaco further requests such damages as the Commission finds appropriate, and interest and attorney's fees.

Any person desiring to be heard or to protest the instant complaint should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Rules 214 and 211 of the Commission's Rules of Practice and Procedure. All such motions or protests should be filed on or before January 17, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. Answers to this complaint are due on or before January 17, 1996.

**[Docket No. TM96-6-29-000]****Transcontinental Gas Pipe Line Corporation; Notice of Proposed Changes in FERC Gas Tariff**

December 18, 1995.

Take notice that on December 8, 1995, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheets are enumerated in Appendix A attached to the filing. The tariff sheets are proposed to be effective as indicated on Appendix A.

Transco states that the purpose of the instant filing is to track rate and fuel changes attributable to storage service purchased from Texas Eastern

Transmission Corporation (TETCO) under its Rate Schedule X-28 the costs of which are included in the rates and charges payable under Transco's Rate Schedule S-2. The tracking filing is being made pursuant to Section 26 of the General Terms and Conditions of Transco's Volume No. 1 Tariff.

Included in Appendix B attached to the filing is an explanation of the rate change and details regarding the computation of the revised Rate Schedule S-2 rates.

Also included therein for filing is a substitute tariff sheet which incorporates the Rate Schedule S-2 changes proposed therein into Transco's November 15, 1995 filing in Docket No. RP96-44-000 which is currently pending Commission acceptance to become effective December 15, 1995.

Transco states that copies of the filing are being mailed to each of its S-2 customers and interested State Commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, Washington, DC 20426, in accordance with §§ 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to § 154.210 of the Commission's regulations, all such motions or protests noted above. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**Viking Gas Transmission Company; Notice of Filing**

December 18, 1995.

Take notice that on December 11, 1995, Viking Gas Transmission Company (Viking) filed a report of interruptible throughput and revenues for the period November 1, 1994 through October 31, 1995. Viking also stated that Viking did not have sufficient net interruptible revenues during that period to trigger an obligation, under Article 5, Section 5 of Viking's Rate Schedule IT, to credit net interruptible revenues to Viking's firm shippers.

Viking states that copies of the filing have been mailed to all of its jurisdictional customers and to affected state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. Pursuant to § 154.210 of the Commission's regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. Protests will be considered by the Commission in determining the appropriate action to be

taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

**SUPPLEMENTARY INFORMATION:**

Proposed To Revise the Following Currently Approved Collections of Information

*Title:* Activities of State-Licensed, Insured Branches of Foreign Banks.  
*Form Number:* None.  
*OMB Number:* 3064-0114.  
*Frequency of Response:* On occasion.  
*Affected Public:* State-licensed branches of insured banks.  
*Estimated Number of Respondents:* 32.

*Estimated Time per Response:* 8 burden hours.

*Estimated Total Annual Burden:* 256 burden hours.

*General Description of Collection:* Section 202 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA) imposes restrictions on the permissible activities of state-licensed branches of foreign banks. The statute provides that after December 19, 1992, a state-licensed branch of a foreign bank may not engage in any activity which is not permissible for a federal branch of a foreign bank unless (1) ( the Board of Governors of the Federal Reserve has determined that the activity is consistent with safe and sound banking practice, and (2) the FDIC has determined that the activity would pose no risk to the deposit insurance fund. The collection of information consists of procedures to apply for permission to engage in, or continue to engage in, an activity which is not permissible for a federal branch of a foreign bank, and the submission of a plan to discontinue those activities that are deemed to pose significant risk to the deposit insurance fund. This collection is contained in the FDIC's regulations at 12 CFR part 346.

**Request for Comment**

Comments submitted in response to this Notice will be summarized or included in the FDIC's request for OMB approval. All comments will become a matter of public record.
