

The Interchange Agreement provides for the following service between CINERGY and Tallahassee.

1. Exhibit A—Power Sales by Tallahassee
  2. Exhibit B—Power Sales by CINERGY
- CINERGY and Tallahassee have requested an effective date of January 1, 1996.

Copies of the filing were served on the City of Tallahassee, the Florida Public Service Commission, the Kentucky Public Service Commission, the Public Utilities Commission of Ohio and the Indiana Utility Regulatory Commission.

*Comment date:* January 2 1996, in accordance with Standard Paragraph E at the end of this notice.

#### Standard Paragraph

E. Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Lois D. Cashell,

#### [Docket No. RP96-82-000]

#### Algonquin Gas Transmission Co.; Notice of Proposed Changes In FERC Gas Tariff

December 20, 1995.

Take notice that on December 14, 1995, Algonquin Gas Transmission Company (Algonquin) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, the following revised tariff sheets, with a proposed effective date of January 15, 1996:

Twenty-fifth Revised Sheet No. 20A  
Original Sheet No. 99E

Algonquin states that the purpose of this filing is to flow through a refund from National Fuel Gas Supply Corporation related to its Account Nos.

191 and 186, as filed in National Fuel's Docket No. RP95-373-002.

Algonquin states that copies of this filing were mailed to all firm customers of Algonquin and interested states commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to Section 154.210 of the Commission's Regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

#### [Docket No. CP96-103-000]

#### ANR Pipeline Company; Notice of Request Under Blanket Authorization

December 20, 1995.

Take notice that on December 15, 1995, ANR Pipeline Company (ANR), 500 Renaissance Center, Detroit, Michigan 48243, filed in Docket No. CP96-103-000 a request pursuant to §§ 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.212) for authorization to add, construct, and operate a turbine meter at an existing interconnection with Wisconsin Power & Light Company (WPL) for delivery of natural gas to WPL in Fond du Lac County, Wisconsin, under the blanket certificate issued in Docket No. CP82-682-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

ANR states that the proposed facilities consist of an 8-inch turbine meter and approximately 10 feet of 8-inch pipe. ANR estimates that the facilities would cost approximately \$170,000. ANR indicates that the proposed facilities would increase the capacity of the metering station from 3,800 Mcf per hour to 5,300 Mcf per hour. ANR also

indicates that the volumes to be delivered at the modified facility would be within the certificated entitlements of WPL.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

#### [Docket No. RP96-84-000]

#### Columbia Gulf Transmission Co.; Notice of Filing

December 20, 1995.

Take notice that on December 14, 1995, Columbia Gulf Transmission Company (Columbia Gulf) tendered for filing the following report.

Pursuant to Section 34 (Crediting of Excess Revenues) of the General Terms and Conditions (GTC) of Columbia Gulf's FERC Gas Tariff, Second Revised Volume No. 1, Columbia Gulf calculated revenues applicable to Rate Schedules ITS-1 and ITS-2 (Applicable Rate Schedules) for the twelve-month period ended October 31, 1995. Based upon the calculations, the revenues generated were not sufficient to result in any Excess Revenues of crediting.

Columbia Gulf is also filing a negative adjustment applicable to the Excess Revenues previously calculated and credited to customers' bills for the twelve-month period ended October 31, 1994, for which it filed its report pursuant to Section 34 on December 14, 1994, in Docket No. RP95-92. This adjustment, which reduces the amount of Excess Revenues credited in 1994, reflects billing adjustments applicable to the services under the Applicable Rate Schedules for that period, which adjustments were made during the twelve-month period ended October 31, 1995. The total adjustment reduces 1994 Excess Revenues by a total of

\$138,822.94, and Columbia Gulf is reflecting the effect of this adjustment on customers' bills concurrently with the filing of this report.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington D.C. 20426, in accordance with §§ 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to § 154.210 of the Commission's Regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**[Docket No. RP96-83-000]**

**Columbia Gas Transmission Corp.;  
Notice of Filing**

December 20, 1995.

Take notice that on December 14, 1995, Columbia Gas Transmission Corporation (Columbia) tendered for filing the following report.

Pursuant to Section 37 (Crediting of Excess Revenues) of the General Terms and Conditions (GTC) of Columbia's FERC Gas Tariff, Second Revised Volume No. 1, Columbia calculated Excess Revenues applicable to Rate Schedules ITS and SIT (Applicable Rate Schedules) for the twelve-month period ended October 31, 1995. In accordance with GTC Section 37, Columbia is returning such Excess Revenues through dollar credits to applicable Firm Transportation Customers' bills concurrently with the filing of this report in the total amount of \$1,681,204.35. Columbia collected no Excess Revenues under Rate Schedule ISS during this time period.

Columbia is also filing a negative adjustment applicable to the Excess Revenues previously calculated and credited to customers' bills for the twelve-month period ended October 31, 1994, for which Columbia filed its report pursuant to Section 37 on December 14, 1994, in Docket No. RP95-91. This adjustment which

reduces the amount of Excess Revenues credited in 1994, reflects billing adjustments applicable to the services under the Applicable Rate Schedules for that period, which adjustments were made during the twelve-month period ended October 31, 1995. The total adjustment reduces 1994 Excess Revenues by a total of \$132,476.52, and Columbia is reflecting the effect of this adjustments on customers' bills concurrently with the filing of this report.

Any person desiring to be heard or to protest this filing should file a motion to inter even or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. Pursuant to Section 154.210 of the Commission's Regulations, all such motions or protests must be filed not later than 12 days after the date of the filing noted above. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

**[Project No. 11516-00-MI]**

**Commonwealth Power Company;  
Notice not Ready for Environmental  
Analysis Notice Requesting  
Interventions and Protests, and Notice  
of Scoping Pursuant to the National  
Environmental Policy Act of 1969**

December 20, 1995.

On October 25, 1995, the Federal Energy Regulatory Commission (Commission) issued a letter accepting the Commonwealth Power Company's application for the Irving Hydroelectric Project, located on the Thornapple River in Barry County, Michigan.

The Irving Dam's principal project features would consist of an existing 6-foot-high gravity-earth filled dam, an existing reservoir with a surface area of 25 acres at a maximum pool elevation of 738.5 feet USGS and a storage capacity of 100 acre-feet, a 1,200-foot-long head race canal, and a powerhouse containing one generating unit with a rated capacity of 600 Kw. The project would have an average annual

generation of 1,800,000 Kwh. The project site is owned by Commonwealth Power Company.

The application is not ready for environmental analysis at this time. A public notice will be issued in the future indicating its readiness for environmental analysis and soliciting comments, recommendations, terms and conditions, or prescriptions on the application and the applicant's reply comments.

The purpose of this notice is to: (1) Invite interventions and protests; (2) advise all parties as to the proposed scope of the staff's environmental analysis, including cumulative effects, and to seek additional information pertinent to this analysis; and (3) advise all parties of their opportunity for comment.

**Interventions and Protests**

All filings must: (1) Bear in all capital letters the title "PROTEST," "MOTION TO INTERVENE," "NOTICE OF INTENT TO FILE COMPETING APPLICATION," or "COMPETING APPLICATION;" (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person protesting or intervening; and (4) otherwise comply with the requirements of 18 C.F.R. 385.2001 through 385.2005. Agencies may obtain copies of the application directly from the applicant. Any of these documents must be filed by providing the original and the number of copies required by the Commission's regulations to: Secretary, Federal Energy Regulatory Commission, 888 First Street NE., Washington, D.C. 20426.

An additional copy must be sent to: Director, Division of Project Review, Office of Hydropower Licensing, Federal Energy Regulatory Commission, at the above address. A copy of any protest or motion to intervene must be served upon each representative of the applicant specified in the particular application.

All filings for any protest or motion to intervene must be received 60 days from the issuance date of this notice.

**Scoping Process**

The Commission's scoping objectives are to:

- identify significant environmental issues;
- determine the depth of analysis appropriate to each issue;
- identify the resource issues not requiring detailed analysis; and
- identify reasonable project alternatives.
