The transportation and exchange services for which abandonment is sought, were authorized by the Commission in separate orders issued August 8, 1978 (Docket No. CP78-162, 4 FERC ¶ 61,123 [1978]) and March 21, 1979 (Docket No. CP79-86, 6 FERC ¶ 61,247 [1979]), and involve services made pursuant to Texas Eastern Rate Schedule Nos. Columbia and Texas Eastern also state that the contracts underlying the transportation and exchange services were terminated in an order issued September 13, 1993 by the United States Bankruptcy Court for the District of Delaware in Case Nos. 91-803 and 91-804.

Columbia and Texas Eastern submit that the proposed abandonment is required by the present and future public convenience and necessity, as it will eliminate transportation services no longer needed and will permit these

companies to cancel their corresponding rate schedules in Volume No. II of their FERC Gas Tariff.

Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Columbia or Texas Eastern to appear or be represented at the hearing.
