**Stingray Pipeline Company; Notice of Stipulation Agreement**

January 4, 1996.

Take notice that on December 6, 1995, Stingray Pipeline Company (Stingray) filed a Stipulation and Agreement (Agreement) intended to resolve all issues regarding the procurement and ownership of and title to line pack on Stingray's system. The Agreement provides that the two historic firm shippers on Stingray's system—Natural

Gas Pipeline Company of America and Trunkline Gas Company—will agree to relinquish to Stingray any title or claim to line pack quantities that they previously furnished to the system; these two firm shippers are the only two shippers holding any such claim. In consideration therefor, these firm shippers will be compensated by Stingray through payments from a limited-term surcharge mechanism that is established pursuant to the Agreement. Stingray states that resolution of this claim became of significance because of the termination of those two contracts on November 29, 1994.

Comments on the settlement, as well as motions to intervene or protests should be filed with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC, 20426 on or before January 16, 1996. Reply comments should be filed on or before January 23, 1996. Only those parties who have not already filed comments on the settlement may file comments on January 16, 1996. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this petition are on file with the Commission and are available for public inspection.
