Second Revised Sheet Nos. 40, 42 and 49A
Third Revised Sheet Nos. 48 and 49

Overthrust states that it seeks Commission approval of proposed tariff revisions that (1) will resolve areas of concern expressed by its customers, and (2) more accurately reflect post-636 pipeline operations. Overthrust states further that acceptance of the proposed tariff revisions will enable Overthrust to respond more effectively to customer needs as it continues to fine tune transportation service while remaining consistent with current Commission policy.

Overthrust states that a copy of this filing has been served upon its jurisdictional customers as well as the Wyoming Public Service Commission.
