OFFICE OF MANAGEMENT AND BUDGET

Rescission of OMB Circular

AGENCY: Office of Management and Budget.

ACTION: Proposed rescission of OMB Circular A-106.

SUMMARY: Notice is hereby given that OMB intends to rescind Circular No. A-106, "Reporting Requirements in Connection With the Prevention, Control, and Abatement of Environmental Pollution at Existing Federal Facilities." The circular provides reporting procedures for Federal agencies to prepare and submit semi-annual plans to OMB for the control of environmental pollution at Federal facilities. The plans, prepared under Environmental Protection Agency (EPA) guidelines, identify environmental pollution improvements and associated costs for Federally owned or leased facilities. Circular A-106 is being proposed for rescission because its requirements are duplicative and inconsistent with the reporting requirements of Executive Order 12088, "Federal Compliance With Pollution Control Standards," which will remain in effect after the Circular is rescinded. Terminating the circular was recommended in the Vice President's National Performance Review to eliminate duplicative reporting

requirements and to allow agencies to report under Executive Order 12088 using their own in-house data systems or an inter-agency system provided by EPA.

DATES: Persons who wish to comment on the proposed rescission of Circular No. A-106 should submit their comments no later than February 22, 1996. The rescission will take place 45 days after the close of the comment period, unless the comments raise significant concerns regarding the proposed rescission.

ADDRESSES: Comments should be addressed to: Kevin Neyland, Office of Management and Budget, New Executive Office Building, 725 17th Street, NW, Room 8026, Washington, D.C. 20503.

FOR FURTHER INFORMATION CONTACT: For further information on the rescission of Circular No. A-106, contact Kevin Neyland at (202) 395-6827. For further information on OMB's overall review of its circulars, contact Frank J. Seidl, III, Staff Assistant, at (202) 395-5146; or Rosalyn Rettman, Associate General Counsel for Budget at (202) 395-5600.

SUPPLEMENTARY INFORMATION: The Director of the Office of Management and Budget (OMB) has initiated a systematic review of all OMB circulars, in an effort to reduce unnecessary Government directives. As part of this initiative, each OMB circular is being reviewed to see whether it should be rescinded or whether its requirements can be simplified.

John B. Arthur,

Associate Director for Administration.
