SUPPLEMENTARY INFORMATION:

Background

The Occupational Safety and Health Administration (OSHA) currently has approval from the Office of Management and Budget (OMB) for certain information collection requirements contained in 29 CFR 1910.119. That approval will expire on June 30, 1996, unless OSHA applies for an extension of the OMB approval. This notice initiates the process for OSHA to request an extension of the current OMB approval.

As part of OMB's and OSHA's continuing paperwork reduction effort, OSHA seeks to reduce the paperwork burden hours in 29 CFR 1910.119 based on input from parties interested in the regulatory scope of that regulation. The purpose of this notice is to solicit public comment on OSHA's existing paperwork burden estimates from those interested parties and to seek public response to several questions related to the development of OSHA's estimates. Interested parties are requested to review OSHA's estimates which are based on information available during rulemaking, and to comment on their accuracy or appropriateness in today's workplace situation. OSHA bases its existing estimates upon information made available to the agency during the initial rulemaking effort for 29 CFR 1910.119 (February 24, 1992, 57 FR

6356); and is interested in learning whether it is outdated.
