

than 37 days after the date of publication of this notice. The Department will publish the final results of this administrative review, including the results of its analysis of issues raised in any such written comments or at a hearing.

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Individual differences between USP and FMV may vary from the percentages stated above. Upon completion of the final results in this review the Department will issue appropriate appraisement instructions directly to the U.S. Customs Service.

Furthermore, the following deposit requirements will be effective upon publication of our final results of review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act:

(1) The cash deposit rate for the reviewed company will be the rate established in the final results of this review;

(2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published in the most recent period;

(3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established in the most recent period for the manufacturer of the merchandise; and

(4) if neither the exporter nor the manufacturer is a firm covered in this or any previous review conducted by the Department, the cash deposit rate will be 8.10 percent, the all others rate established in the LTFV investigation (51 FR 44319).

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1)

of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.
